## **7. Fresher Party 2022**

**Date: December 07, 2022**

Every student eagerly awaits right from their time of admission for their most remarkable event of the college “FRESHER’S PARTY”. The 7<sup>th</sup> of December 2022 was as a memorable day in the life of every fresher of academic year 2022-2023 batch at Faculty of Pharmacy, IFTM University. The fresher’s day was filled with excitement, joy, music, enthusiasm, laughter and happiness. It is the day where seniors and juniors finally bond and unite to celebrate being part of the college. Students were welcomed with the so much of enthusiasm and joy. Light is considered as very sacred and a symbol of prosperity, in the same way as sunlight not only dispels the darkness of night, it brings blessings and happiness into our lives. The inauguration of event started by kindling the lamp along with the blessings of goddess Saraswati by our dignitaries Prof. Navneet Verma, Prof. Sushil Kumar and other teaching faculties.

Students of first year participated in a ramp walk, judged by faculty members of Pharmacy and Mr. and Miss Fresher was selected. It was an incredible event hosted and organized by seniors. Seniors shared their experiences with the juniors during the event. All the seniors and juniors had filled the auditorium with colorful attire, which added glamour to the event. Dr. Shweta Verma was the coordinator of the farewell party. The day ended by capturing memories with immense pleasure among all, with the stamps of amazing experiences and fun.

## 12. “TEACHERS SHAPE THE FUTURE” – A Teacher’s Day Celebration

**Date: September 05, 2022**

**ROCK ON – The Cultural Club** of Student Development Cell, School of Business Management, had a celebration for Teachers Day called "Teachers Shape the Future" - A Teacher's Day on September 05, 2022. The teachers' day honors the enduring bond between pupils and educators. The students applaud the commitment and love with which their teachers shape the futures of the students' brains as well as the excellence of their instructors. Additionally, it gives students a chance to express gratitude to their teachers and tell them how

much their efforts in shaping them into good people have helped them succeed. The SBM students celebrated teachers' day to show their appreciation for the tremendous effort made by their teachers towards their development. Prof. Nisha Agarwal shared her experience of working in this Organisation. All the present have enjoyed the programme.

*Teachers' day celebrates the pious relationship between the students and teachers*

### **13. Teachers Day Celebration**

**Date: September 05, 2022**

Teacher's day was celebrated in School of biotechnology on September 05, 2022 with pomp and grandeur. All the students and faculty members enthusiastically participated in the event.

Celebration started with lightning of lamp by Director Prof. Tanzeel Ahmed, Head of the Department, Dr. Swapna K Srivastava and other faculty members. Prof. Tanzeel Ahmed, gave a brief speech on the theme of the event "Teachers: Leading in crisis, re-imaging the future" and explained the significance of Teacher's Day. He congratulated the teachers and acknowledged the sincere efforts they put in every day.

The auditorium was beautifully decorated with flowers, banners, and festoons. A warm welcome at the school gate with flowers, gifts, and cards was a pleasant surprise for all the teachers. Students performed various cultural activities like dance, song, recitation, drama, etc. Event had few fun games for teachers as well. Dr. Utkarsh Tyagi was crowned winner of the passing the parcel game, while Mr. Ankit Kumar's performance with his shayris in Hindi left the audience spell bound. Performance by Aaradhika, Simran, Nancy and Umaid made teachers and everyone

on venue to kick their shoes on the beat of the music. The event ended with vote of thanks by Director, SBT, motivating students for their bright future and the staff for continuing achieving success. Activities of students were appreciated by teachers.

## 15. “BATTLE OF BOARD”- The Intra Departmental Chess & Carrom Competition 2023

**Date: March 13-14, 2023**

**STRIDE – The Sports Club** of Student Development Cell, School of Business Management organized a two-day “BATTLE OF BOARD” – The Intra Departmental Chess & Carrom Competition 2023” on March 13-14, 2023. Board games like Carrom and Chess provide a safe environment for players to create and test strategies, tactics, and theories and get immediate feedback on the various decisions made throughout the game. By participating in these games, students are able to improve their concentration, planning skills, cognitive skills, decision-making skills, ability to think rationally, aptitude in recognizing patterns and sense of team spirit. In all, 68 students from all the programme participated in the competition, out of which 8 students (each for Chess & Carrom) were shortlisted. It was a highly interactive and interesting competition. All the students enjoyed the event.

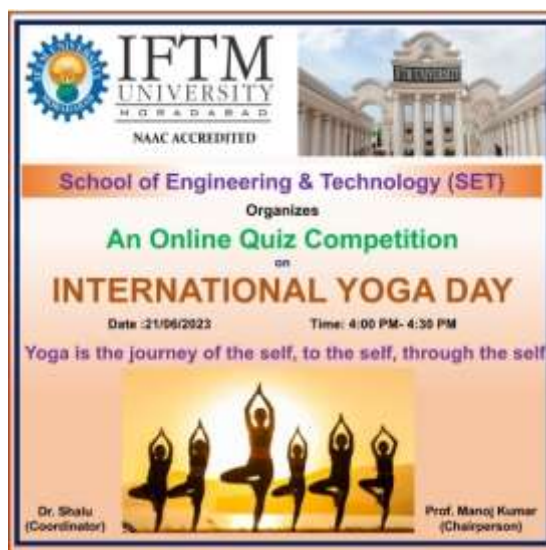

*Participants playing chess & carrom during competition*

## **SUMMARY REPORT BOARD OF MANAGEMENT, HUMANITIES, SCIENCE AND TECHNOLOGY (BOHMST)**

### **16. Online quiz Competition on International Yoga Day**

**Date: June 21, 2023**

On International Day of Yoga, an online quiz competition was organized at School of Engineering & Technology (SET) IFTM University. Vice Chancellor Professor MP Pandey and Registrar Professor Sanjeev Aggarwal congratulated all the staff members and students on International Yoga Day. Prof. (Dr.) Manoj Kumar, Director, SET, while explaining the importance of International Yoga Day extended hearty greetings to everyone and encouraged them to adopt yoga for a healthy life. More than 50 students from SET and other schools participated in the competition.

*Flyer of the event*

### **17. Online quiz Competition on World Environment Day**

**Date: June 06, 2023**

On World Environment Day, an online quiz competition was organized in School of Engineering & Technology (SET) IFTM University Moradabad in collaboration with Institution Innovation Council (IIC). Director of SET Prof. (Dr.) Manoj Kumar introduced that World Environment Day serves as an important reminder of our responsibility to protect the environment and to take action to address environmental challenges. It provides a platform for individuals, communities, and governments to come together and take concrete steps towards a more sustainable future. Approximately, 50 Students had participated in this competition.

*Flyer of the event*

## 18. TECHNOVAZA 2023

**Date: May 26, 2023**

“TECHNOVANZA” the technical fest of School of Engineering & Technology (SET), IFTM University Moradabad was organized on May 26, 2023. This event included a range of activities such as: Technical workshops and seminars by industry experts Paper presentations and poster sessions by students on their research topics. Additionally, technical competitions such as robotics, coding, and design challenges were also organized by the engineering students. Exhibitions of innovative projects and prototypes were developed by the students. Guest lectures and talks by renowned personalities in the field of engineering were also organized by the institute.

*Chancellor and Vice-Chancellor during the event*

## 19. An Expert talk on “Upcoming research areas on computer science”

**Date: May 26, 2023**

An Expert talk on “Upcoming research areas on computer science” was organized by School of Computer Science & Applications, IFTM University on Friday, May 26, 2023. Dr. Bhumika Gupta was the key speaker of the session. She is currently working with GB Pant Institute of Engineering and Technology, Pauri. She discussed Artificial Intelligence (A.I.), Cloud Computing, data security and big data. These are the emerging areas in computer science. 109 students of B.Tech and BCA participated in this talk. These activities benefit the students to enhance their technical knowledge.

*Dr. Bhumika Gupta delivering lecture on emerging trends in computer science*

## 20. Guest Lecture on Emerging Trends in 5G

**Date: May 23, 2023**

The IFTM University Alumni Association (IUAA) in collaboration with School of Engineering & Technology (SET), IFTM University organized a session on "Emerging Trends in 5G" on May 23, 2023. This insightful session took place in the Mechanical Seminar Hall of SET. The session aimed to equip B.Tech and M.Tech students with the knowledge and understanding of emerging Trends in 5G. The session featured Mr. Ankit Bajpai, Manager Indus Tower Limited, U.P. west (B. Tech batch 2009 pass out IFTM University). The session started with the introduction to the 5G: 5G is the fifth generation of wireless technology, which promises to deliver faster speeds, lower latency, and more reliable connectivity. 5G networks use higher

frequency radio waves than previous generations of wireless technology, which allows for more data to be transmitted over the airwaves.

*Flyer of the event*

## 21. An Invited Lecture on Theme: “Roadmap for Modern Neuroscience Research”

**Date: May 22, 2023**

An invited lecture was organized by School of Biotechnology, IFTM university, Moradabad on May 22, 2023. The lecture was delivered by distinguished speaker Prof. Suhel Parvez (Department of Toxicology, School of Chemical & Life Sciences, Jamia Hamdard University) on the topic “Roadmap for Modern Neuroscience Research”.

*Speaker during the session*

The event was initiated with a welcome speech by Dr. Utkarsh Tyagi, where he explained the motive behind having such a topic, he also introduced guest speaker to the audience. Director of the School, Dr. Tanzeel Ahmed delivered the keynote address. The lecture started with small quiz (icebreaker), and it eventually went very interesting. Audience was spellbound and showed keen interest for next 90 minutes. Altogether 71 students from all the disciplines and all the faculty members joined the lecture session. The lecture was followed by a question answer and brainstorming session. The event ended with vote of thanks by Head of the Department, Dr. Swapna Srivastava.

## **22. Session on “Twelve 21<sup>st</sup> Century Skills”**

**Date: May 19, 2023**

A Session on “Twelve 21<sup>st</sup> Century Skills” was organized by School of Computer Science & Applications, IFTM University at 12:30 PM on Friday, May 19, 2023. Mr. Sonu Singh Gautam was the speaker of the session. He is currently working with UDG India Foundation. Such activities helped the learners to learn and acquire soft skills like Critical Thinking, Creativity, Collaboration, Communication, Information literacy, Media literacy, Technology literacy, Flexibility, Leadership, Initiative, Productivity, Social skills. The school have organized various types of activities to develop the soft skills of the students enrolled with the institution. These activities benefit the students to enhance the knowledge of use of language and its spoken aspect. It helped the students for their development of communication skills.

*Students during the session*

## 23. Online Quiz Competition on National Technology Day

**Date: May 11, 2023**

On National Technology Day, an online quiz competition was organized in School of Engineering & Technology (SET) IFTM University Moradabad. The theme for National Technology Day was "Science and Technology for a Sustainable Future". Director of SET Prof. (Dr.) Manoj Kumar elaborated importance of the National Technology Day serves as an important reminder of the importance of technology in our daily lives and emphasized on the need to continue investing in research and development to drive innovation and progress. Approximately, 50 Students had participated in this competition.

*Flyer of the event*

## 24. Seminar on Pharmaceutical Industrial Process Validation

**Date: April 17, 2023**

IFTM University Alumni Association (IUAA) in collaboration with Faculty of Pharmacy (School of Pharmaceutical Sciences and Pharmacy Academy) organized a Seminar on “Current Scope & Opportunities in Pharmacy” on April 17, 2023 (Monday) at Seminar Hall, Pharmacy Academy. The primary goal of organizing this seminar is to educate pharmacy students about the current scope and various opportunities in pharmacy field. Welcome address was given by Prof. Navneet Verma, Chairperson of Seminar. He also shared a brief note on the importance of pharmacist and their role in pharmacy. The eminent speaker, Mr. Dileep Kumar, Drug Inspector, CDSCO (HQ), FDA, Bhawan Kotla Road, New Delhi, India and an Alumnus of B. Pharm 2008 Batch, gave a detailed note on the “Current Scope & Opportunities in Pharmacy”. Prof.

Mahendra Prasad Pandey, Honorable Vice Chancellor, shared his views on pursuing a career in the field of research. Prof. Sanjeev Agrawal, Registrar, talked about the development of students' minds on attending such types of webinars. IUA president, Dr. Anuj Shrivastava delivered kind words of wisdom for Alumnus Mr. Dileep Kumar. Prof. Sushil Kumar, the Organizing Secretary, gave a vote of thanks at the end of the seminar. The students and guest speaker had a lot of fun interacting with each other. Mr. Kumar received a barrage of questions from the students, all of which he answered. The interactive session was a success overall. The seminar drew a total of 72 students.

*Mr. Dileep Kumar delivering lecture*

## **25. Speech Competition on Ambedkar Jayanti**

**Date: April 14, 2023**

The birth anniversary of Dr Bhimrao Ramji Ambedkar is a national holiday and is known as Ambedkar Jayanti. The world knows Dr B R Ambedkar as the man behind the making of the Constitution of India. School of Engineering & Technology, IFTM University organised speech competition among students on Ambedkar Jayanti by graduates of various streams. Approx. 150 students participated in this event.

*Participant presenting his speech during competition*

## **26. Designing Preclinical studies: Methodical Approach**

**Date: March 21, 2023**

Faculty of Pharmacy (School of Pharmaceutical Sciences and Pharmacy Academy) organized a seminar on “Designing Preclinical Studies: Methodical Approach” on March 21, 2023. Welcome address was given by Prof. Navneet Verma, Chairperson of the Seminar. The distinguished speaker, Dr. Mohammad Ahmed Khan, SPER, Jamia Hamdard, New Delhi, India gave a detailed note on the “Designing Preclinical Studies: Methodical Approach”.

*Lamp lightening (Saraswati Vandana), Inaugural Address by Dean Prof. Navneet Verma, Presence of Participants and talk deliver by Dr. Mohammad Ahmed Khan*

He said that Designing of a pharmacological studies, perform with authentic methodology is very much crucial step for the successful results of a small or a large research projects. He has highlighted the designing hypothesis, procedures of dose selection, discussed and explained very nicely. The students and guest speaker had a lot of fun interacting with each other. Dr. Ahmad Khan received a barrage of questions from the students, research scholars, and faculty members all of which he answered. The participants were highly satisfied with such a knowledge sharing program.

## **27. Career Opportunities in Pharmaceutical Industry**

**Date: March 20, 2023**

Faculty of Pharmacy (School of Pharmaceutical Sciences and Pharmacy Academy) organized a seminar on “Career Opportunities in Pharmaceutical Industry” on March 20, 2023 (Monday). Welcome address was given by Prof. Navneet Verma, Chairperson of Seminar. The eminent speaker, Mr. Ashish Uniyal, Manager Production-Packaging, Sharon, Biomedicine Ltd. Selaqui, Dehradun, gave a detailed note on the “Career Opportunities in Pharmaceutical Industry”. Mr. Uniyal said that - The number of directions a career in pharmaceutical science can take is nearly limitless.

*Participating listening the speaker during session*

Developing new medicines or improving the way they are delivered. Investigating crimes and providing regulatory guidance. Enhancing the durability of paint. All these roads begin in the same place. The range of careers open to pharmaceutical science graduates is growing ever more diverse. Dr. Shweta Verma, Dr. Alka Lohani, Dr. Pawan Singh, and other members of the concerned department were also present there and show their support towards the whole event.

## 28. Farm Visit and Gosthi

**Date: March 17, 2023**

School of Agricultural Sciences and Engineering of IFTM University organized an agricultural research field tour and a seminar for farmers from the villages adopted by the university under Unnat Bharat Abhiyan. On this occasion, University Registrar Professor Sanjeev Agarwal said that through such programs, farmer brothers get an opportunity to know about the new schemes of the state government and the research work being done by IFTM University. Dr. J.P. Chowdhary, Joint Director Agriculture, Moradabad Division, as the chief guest for the farmers gave detailed information about various ongoing schemes and also gave guidance for the students in the agriculture sector regarding vacant posts in various departments and special preparation for selection in them. The participants (students and farmers) gained information about different modern techniques of farming, survey of different fields and knowledge about research trials. Students field visit also a way of enhancing classroom learning by making real world connection. Along with 50 farmers more than 60 students of the school were present in this programme.

*Students and farmers during the farm visit*

## **29. Intellectual Seminar on National Science Day**

**Date: February 28, 2023**

National Science Day is celebrated annually on February 28. National Science Day is celebrated to commemorate the discovery of Raman Effect by Nobel laureate, physicist CV Raman on this day in 1928. School of Engineering & Technology, IFTM University celebrated the big day by discussing about the development of an innovative design for comfort zone of especially abled persons. Approx. 250 students participated in the event.

*Students during the seminar*

## **30. Workshop on “Career Counselling (Advanced Level)”**

**Date: February 23-24, 2023**

School of Business Management, IFTM University organized a Workshop on “Career Counselling” (Advanced Level), on February 23-24, 2023. The workshop intends to guide the students through this whole decision-making process and will give suggestions that are beneficial for them with regards to whether they should take up a job after college or pursue a postgraduate or any other further course. Dr. Arkja Singh spoke with the students about through social media, students may connect with businesses they are interested in, learn more about their culture, express their interest in working there, and maintain focus on their dreams and professional goals. Their future job path will be guided, educated, and advanced by the experiences. The session primarily addressed all SBM final-year students. In all, 228 students attended the programme.

*Students during career counseling session*

### **31. Workshop on Effective Communication**

**Date: February 20-24, 2023**

**MANAV – The Human Resource Club** of Student Development Cell, School of Business Management organized one week workshop on “Effective Communication” for the business students from February 20-24, 2023. Dr. Arkja Singh, a certified trainer in Soft Skills and Personality Development, facilitated the workshop along with the other faculty members. The facilitators explained how communication occurs in many forms, including verbal and non-verbal, written, visual, and listening. In all the workshop was attended by 157 first year business students

*Students participating in the activity during the session*

## 32. A Seminar SPARSH Leprosy Awareness Campaign

**Date: February 13, 2023**

Faculty of Pharmacy, IFTM University in collaboration with National Health Mission, Moradabad organized a guest lecture on “Sparsh Leprosy Awareness Campaign” on February 13, 2023. The Chief Guest Dr. Bhaskar Agarwal, District Leprosy Consultant graced the auditorium with his presence. He mentioned that Leprosy is a non-contagious disease, spreads due to Mycobacterium Leprae (a microorganism) that can affect skin along with the nerves associated with it. If proper treatment is not given at early stage, a patient may turn into physically challenged and crippled. Hence, highly recommended that he must visit nearest health care center or hospital for the proper treatment. Dean, Faculty of Pharmacy, Prof. Navneet Verma put emphasis on the most crucial symptom of Leprosy which is numbness in different organs of the body which may lead to complete crippledness in a patient. Prof. Arun Kumar Mishra made people aware of District Magistrate idea of Leprosy issue, its repercussion and remedies. He stated that Leprosy Awareness Campaign’s main aim is to spread cognizant related to this disease and to free the district from widespread Leprosy. Prof. Sushil Kumar, Director, School of Pharmaceutical Sciences made the attendees aware about the vitality of in time diagnosis and treatment to safeguard a patient from becoming physically challenged permanently and sum-up the program with vote of thanks.

*Speaker during the campaign*

### 33. National Conference on Recent Advancement in Pharmaceutical Sciences

**Date: January 02, 2023**

Faculty of Pharmacy, IFTM University organized a National Conference on “Recent Advancements in Pharmaceutical Sciences” on January 02, 2023, in which around 200 people from across the country participated. On this occasion, the registrar of the university, Prof. Sanjeev Agarwal, extended best wishes for the successful organization of the programme. Dr. Deependra Singh, Chairman, Education Regulation Committee, Pharmacy Council of India, New Delhi was the chief guest in this conference. He imparted in his statement that India's pharmacy has got a new identity in the whole world and today medicines and vaccines made from India are being sent to foreign countries as well.

Dr. Bimal Krishna Banik, Dean of Research Development at Prince Mohammed Bin Fahad University, Saudi Arabia, was the guest of honor for the conference.

*Speaker presenting their views during the conference*

Dr. Banik stated in his statement about the role of chemistry in making any medicine, in a very simple form. Another eminent speaker, Prof. Ajay Sharma of Delhi Pharmaceutical Sciences and Research

University, New Delhi gave information about the help of plant tissue culture in curing diseases. The program was coordinated and successfully managed by Dr. Shweta Verma. Dr. Abhishek Tiwari, Dr. Varsha Tiwari, Dr. Alak Lohani, Dr. Varsha Raj, Dr. Shahbaaz Khan, Dr. Pawan Sing, Mr. Alankar, Mr. Deepak and other mentors were present however keeping the social distancing and other covid protocols intact. Dr. Sushil Kumar shared his thoughts and gave vote of thanks towards all the attendees. This conference provides the updated knowledge about the present situation of research techniques associated with living beings. World-eminent speakers, the most up-to-date researches, the latest treatment techniques and the advancement in this field were the principal features of the conference.

### **34. Seminar on International Human Rights Day**

**Date: December 10, 2022**

To create awareness on International Human Rights Day, Student development Cell (School of Law) organized a Workshop on the topic “Human Rights of LGBTQ: All Humans, All Equal” on December 10, 2022. Mr. Manish Rohilla, Advocate Supreme Court of India and Mr. Vijay Awana, Advocate Supreme Court of India was the speaker of the workshop. The workshop was inaugurated by Prof. Sanjeev Agarwal, Registrar, IFTM University, Moradabad. Dr. Yogendra Singh, Head, School of Law acted as Co- convener and Mr. Upendra Grewal, Assistant Professor, School of Law as an organizing Secretary of the Workshop. Vote of thanks was proposed by Prof. S.B. Misra, Director and Dean, School of Law.

*Speaker and students during the seminar*

### **35. Quiz Competition on "World Soil Day"**

**Date: December 05, 2022**

World Soil Day 2022 with the theme “Soils, where food begins” aim to raise the awareness and to highlight the value of healthy soil and to promote the sustainable management of soil resources. The main goal of the day is to increase public awareness of the significant

environmental issues that soil degradation can lead to, such as erosion, the loss of organic matter, and a drop in soil fertility. In order to mark the importance of 'World Soil Day' School of Agricultural Sciences & Engineering, IFTM University, Moradabad organized a quiz competition to create awareness about a very sensitive issue i.e. preserving the soil and maintaining its fertility. In competition 56 students took part and made it a huge success. The quiz competition made students aware about the importance of soil in efficient agricultural practices.

*Student participants during quiz competition*

### **36. Online Expert Talk on "Agricultural Education Day"**

**Date: December 03, 2022**

In order to mark the importance of this day online expert talk was organized by the School of Agricultural Sciences & Engineering, IFTM University, Moradabad on December 03, 2022. On

this occasion, the honorable Vice Chancellor of IFTM University Prof. Mahendra Prasad Pandey said that agriculture education could potentially transform the agriculture sector. Eminent speaker Dr. C.B. Singh, former scientist of ICAR-IARI, Pusa Bihar, connected through an online platform, gave detailed information to the students and teachers about the importance of Agriculture Education Day and told that the birthday of the first President of India; Dr. Rajendra Prasad is celebrated as Agriculture Education Day by ICAR. Dr. Singh explained to the students by giving many examples of how farmers can diversify and increase their income, and also emphasized focusing on establishing startups along with their university education. Through the expert talk students were made aware of the importance of agricultural education and how it will help in the transformation of the agricultural sector.

*Expert delivering lecture during the talk*

### **37. Quiz Competition on World AIDS Day**

**Date: December 01, 2022**

A Quiz competition was organized by faculty of Pharmacy on December 01, 2022 at 2:30 to 3:00 PM on seminar Hall Pharmacy Academy. The main objective for celebrating World AIDS Day was to spread awareness among students about communicable deadly disease AIDS. Prof. Navneet Verma, Dean, Faculty of Pharmacy addressed the students and told them AIDS that is also called acquired immunodeficiency syndrome and world AIDS day is celebrated to spread awareness among people since 1988. Then Director of School of Pharmaceutical Sciences Prof. Sushil Kumar, also gave speech about prevention and treatment of AIDS. This competition was coordinated by Dr. Sukirti Upadhyay, Dr. Shweta Verma, Ms. Heena Farooqui, Mr. Alankar Shrivastav and Mr. Munna Singh. A Quiz about AIDS was created and circulated amongst the students in Classroom (PA-65). An overwhelming participation of hundred students was obtained, out of which Top three scorers were appreciated and awarded with certificate of merit

*Students participating in the quiz competition*

### **38. Debate competition on “The youth of nation is capable to empower India to become Vishvaguru in 21<sup>st</sup> century”**

**Date: November 20-26, 2022**

The debate competition was organized by Student development committee, School of Biotechnology, IFTM University. Event was initiated by welcoming the students where Dr. Utkarsh Tyagi briefed the students about the topic of the debate “Youth of The Nation is Capable

to Empower India to Become the Nation Vishwa guru in 21<sup>st</sup> century”. Around sixty-four students participated in the event. Students presented their views on “for” and “against” the topic in a very creative manner. Debate was conducted in two medium i.e Hindi and English. Students were allotted three minutes time duration to present their views for or against the topic. Event was concluded by the speech of Dr. Swapan Kumar Srivastava who appreciated and motivated the students to participate with full enthusiasm in such events in future. Winners were awarded at the end of the event.

*Students expressing their views for and against the topic*

### **39. 61<sup>st</sup> National Pharmacy Week -2022**

**Date: November 20-26, 2022**

The 61<sup>st</sup> National Pharmacy Week (NPW) is being celebrated from November 20-26, 2022 with the theme Pharmacy of the World - India. On the first day, Mr. Sandeep Badola, President U.P. State Pharmacy Council was invited as the chief guest and Mr. Sanyam Kansal, Senior Manager, HDFC Bank and Mr. Rajveer Singh, C. L. Gupta Eye Research Centre, Moradabad as the special guests. Blood donation camp was organized in the dispensary of IFTM University in collaboration with HDFC Bank. Students participated enthusiastically in this and around 65 students donated blood. Eyes are the most important part of our body.

*Blood Donation Drive 2022 in collaboration with HDFC Bank*

*Motivational speech by Chief Guest Mr. Sandeep Badola, President, U.P. State Pharmacy Council*

Keeping this in mind eye check-up camp was also organized and around 188 students participated in the check-up camp, Chancellor of IFTM University, Mr. Rajeev Kothiwal, wished all the students of the Faculty of Pharmacy for a bright future on National Pharmacy Week and Vice Chancellor Prof. (Dr.) Mahendra Prasad Pandey congratulated all the students and members of the Department of Pharmacy with great enthusiasm. The major focus of the NPW celebrations is to create awareness among the public, other healthcare providers and officials about the NPW topic in particular and the pharmacy profession and the role of pharmacists in general.

*Eye Check-Up Camp and Media Coverage*

#### 40. “SANJEEVANI” – The Intra Departmental Business Plan Competition 2022

**Date: November 25, 2022**

**UDYAMI – The Entrepreneurship Club** of Student Development Cell, School of Business Management organized an event “SANJEEVANI” – The Intra Departmental Business Plan Competition 2022 on November 25, 2022. The event was organized with the objective to vitalize student entrepreneurs and support the growth of jobs. Students were asked to present a sound business plan inclusive of the nature and name of the business, logo, and business model, statements of vision & mission, environment analysis and revenue projection. In all, 15 teams (total 58 students) comprises of students from different programme participated in the event, out of which 8 teams were shortlisted for the final round. Priya Chauhan and Team from MBA 2<sup>nd</sup> year were declared winners of the event. It was a highly interactive, informative and interesting event. All the students enjoyed the programme.

*Participants presenting their business plan to the audience*

## 41. Lecture on NMR Spectroscopy

**Date: November 24, 2022**

As part of the 61<sup>st</sup> National Pharmacy Week (NPW)-2022, the Faculty of Pharmacy at IFTM University organized a lecture on the topic of NMR Spectroscopy. The event took place on November 24, 2022 at the IFTM University in Moradabad. The lecture was held under the overarching theme of "Pharmacy of the World - India," which aimed to showcase the significant contributions of the Indian pharmaceutical industry and professionals on a global scale.

*Event addressing by Prof. Sushil Kumar and presence of student's along with faculty members during lecture*

Prof. Arun Kumar Mishra, the esteemed Head of Department at the Pharmacy Academy of IFTM University, was the invited speaker for the lecture. During the lecture, Prof. Mishra elucidated the fundamental concepts of NMR Spectroscopy, including its underlying principles, instrumentation, and interpretation of spectra, various applications of NMR Spectroscopy in pharmaceutical sciences, emphasizing its role in elucidating molecular structures, identifying impurities, and assessing the quality of pharmaceutical products. The program proved to be highly informative and engaging, as participants gained a comprehensive understanding of NMR Spectroscopy's significance and its relevance in the pharmaceutical industry. Participants had the opportunity to interact with Prof. Mishra and fellow attendees, fostering collaboration and fostering a sense of camaraderie within the pharmacy community.

## 42. Online Quiz Competition “BIO-BRAINZ VII”

**Date: November 14, 2022**

An online Quiz Competition, “Bio-Brainz-VII” was organized by School of Biotechnology (SBT) on the occasion of children’s day i.e., November 14, 2022. The purpose of this event was to evaluate the knowledge of the students within academics as well as beyond academics and to make them familiar with the prospects of quizzes and the objectivity of the questions. There was a total of 146 participants who registered themselves in the competition and participated through online mode. Link for the google form was shared with all the students. There were 50 multiple choice questions in the quiz which students had to complete in time duration of 60 minutes. Event was concluded by announcing winners at the end of the competition. Arina from B.Sc Biotechnology III year secured I position, whereas, Anshika (B.Sc Microbiology II year) and Rushda (B.Tech Biotechnology IV year) secured II and III position respectively. All the winners of the competition were awarded with prizes and certificates.

*Students submitting their responses during event*

## 43. Guest Lecture on topic "NEP2020: its Impact on Indian Education System"

**Date: November 03, 2022**

Student Development Cell, School of Social Sciences, IFTM University, Moradabad organized a guest lecture on the topic ‘NEP2020: its Impact on Indian Education System’. The eminent speaker was Prof. Pervez Alam, Aligarh Muslim University, Aligarh. The lecture helped the students experience the global quality of education in their very own country

*Prof. Alam delivering lecture to the students*

It was highlighted that all aspects in life are interconnected, physical well-being becomes mental well-being and vice versa. It is wise to get out as much as you can and stand and walk regularly instead of sitting all day. The learners were able to understand the importance of clean mind for the acquisition of good health. In all 73 students from different courses of SBM participated in the five-day workshop.

#### **44. Quiz Competition on the birth anniversary of Sardar Vallabh bhai Patel**

**Date: October 31, 2022**

On October 31, 2022, a Quiz competition was organized by Student development cell of School of Biotechnology in collaboration with NSS unit on the birth anniversary of Sardar Vallabh Bhai Patel. Event started with speech by Director Prof. Tanzeel Ahmed on Iron Man of India praising his works. Main purpose of the competition was to acknowledge the work done by noble personalities and leaders of the nation and make students aware about the historical legacy of the nation. Total 23 students participated in the quiz, and the enthusiasm they showed was admirable. Questions were framed to take a short glimpse of the famous leaders and freedom fighters of India. Thereafter, a Harmony walk (Sadbhavna walk) was carried out from Shankar Bhawan to Surya park with Registrar sir, VC sir, teachers and students from all the colleges. An oath was taken for supporting India and keeping national interest always above everything. Winners were awarded at the end of the competition. The event ended with a motivational speech by VC sir, encouraging students for achieving success and work for their nation.

*Participants during Quiz competition*

#### **45. “War of Words” – The Intra Departmental Debate Competition 2023 on "BHIM-Making India Cashless"**

**Date: October 21, 2022**

**MANAV – The Human Resource Club** of Student Development Cell (SDC), School of Business Management (SBM) organized “WAR OF WORDS” – The Intra Departmental Debate Competition 2022 on the topic “BHIM: Making India Cashless” on Friday, October 21, 2022. The purpose of the debate competition was to sharpen students’ English-speaking skills and develop their critical thinking and reasoning skills. The topic chosen for debate competition was on the basis of its rationality as well as its focus on understanding the generality of the subject. The event helped students to increase their confidence, poise and self-esteem. In all, 32 students from different courses participated in the event, out of which 12 candidates were shortlisted. The competition was judged on the basis of student’s presentation skills, confidence, delivering content and relevance to the theme.

*Judges during debate competition*

#### **46. Workshop on “Career Counselling (Beginner Level)”**

**Date: October 17-18, 2022**

School of Business Management, IFTM University organized a Workshop on “Career Counselling” (Beginner Level) for the students of SBM during October 17-18, 2022. As students continue their college education, it’s significant to consider suggestions that can help them grow professionally and personally. Dr. Swati Rai, a certified trainer told students to work on creating opportunities, build the network. She said Networking is the best way to gain intuition. The contacts made by the students also served as references later on or inform them of valuable opportunities in their field. In all, 293 students attended the programme.

*Students attending the session of Dr. Rai*

## **47. Workshop on “Career Counselling (Intermediate Level)”**

**Date: October 13-14, 2022**

School of Business Management, IFTM University organized a Workshop on “Career Counselling” (Intermediate Level), on October 13-14, 2022 for the pre-final year students. Ms. Megha Bhatia, HR professional, facilitated the Workshop on Career Counselling. Ms. Bhatia discussed there are many ways to gain experiences such as jobs, internships, or volunteer opportunities throughout the college career of every student. She also discussed with the students on to enhance their skill, must recognize their own mistakes and believe in themselves.

*Students listening the view of Ms. Bhatia during session*

## **48. Workshop on Effective Communication**

**Date: October 10-14, 2022**

MANAV – The Human Resource Club of Student Development Cell, School of Business Management organized one week workshop on “Effective Communication” for the commerce students from October 10-14, 2022. Dr. Arkja Singh and Dr. Swati Rai, a certified trainer’s in Soft Skills and Personality Development discussed the 5Cs of Communication namely: clear, correct, complete, concise, and compassionate; and how they may vary depending on who you’re in conversation with. In all the workshop was attended by 161 first year commerce students. The session helped the students understand the role of their own social, emotional, and mental health and well-being in deepening their existing connections along with developing new bonds based on trust and transparency.

*Dr. Singh explaining the students during the session*

## **49. Workshop on "Entrepreneurship Skills Acquisition and Product Innovation"**

**Date: October 10, 2022**

**UDYAMI – The Entrepreneurship Club** of Student Development Cell (SDC), School of Business Management (SBM) organized a workshop on “**Entrepreneurship Skills Acquisition and Product Innovation**” on Monday, October 10, 2022. Dr. Himanshu Gupta, Convener, SDC has addressed the students and highlights that this kind of programs provides an opportunity to learn, ideate, design and build your product while sharpening the skills needed to succeed in the rapidly changing technological fields. In all, 192 students of first year attended the programme. It was a highly interactive, informative and interesting event.

*Dr. Gupta addressing the students on Entrepreneurship*

The session aimed at actively promoting entrepreneurship among students by providing a platform to convert their ideas into reality. The session not only developed awareness about entrepreneurship and successful entrepreneurs amongst students but also developed an entrepreneurial mind-set by learning key skills such as design, creative thinking, risk-taking ability and communication.

## **50. Industrial Visit to CETPA Infotech Pvt. Ltd, Noida**

**Date: October 01, 2022**

Student Development Cell (SDC) of School of Business Management (SBM) in collaboration with Training and Placement Cell (TAP) of SBM organized a one-day Industrial Visit to CETPA Infotech Pvt. Ltd, Noida on Saturday, October 01, 2022. Key Features of this Industrial Visit was a tour of CETPA campus, a technical session by an Industrial Expert, exposure on Live Projects, intellectual discussion with Industry Experts on Digital Marketing and HR related practices, information related to dealing with clients and a session on Job Search and Applications.

A student of MBA final year, Ms. Hritika Tandon, was granted a certificate of appreciation for her exemplary performance during the seminar on Digital Marketing.

In all, 46 students from SBM visited the company premises. The visit was very fruitful for the students. All the students enjoyed the visit as it was a highly interactive, informative, and stimulating.

*Students during their industrial visit to CETPA Noida*

## 51. Lecture on Pandit Deendayal Upadhyay Janam-Diwas

**Date: September 25, 2022**

Faculty of Pharmacy organized a Session on “Biography of Pandit Deen Dayal Upadhyay” on September 25, 2022 (Monday). Welcome address was given by Prof. Navneet Verma, Afterwards, Hon’ble Vice Chancellor of IFTM University Prof. M.P. Pandey shared a brief not about Pandit Deen Dayal Upadhyay. Then, Hon’ble Chancellor of IFTM University- Mr. Rajiv Kothiwal gives floral tribute to photograph of Pandit Deen Dayal Upadhyay followed by Prof. M.P. Pandey (Hon’ble Vice Chancellor), Prof. Rahul Kumar Mishra (Pro Vice Chancellor), Prof. Navneet Verma (Dean-Pharmacy) Prof. Sushil Kumar (Director- School of Pharmaceutical Sciences) and other faculty members. The event was coordinated by Prof. Sukirti Upadhyay, Mr. Alankar Srivastava and Ms. Pooja Malik. The major outcome of the event was that listeners get impressed by biography of politician, social worker and thinker Pt. Deen Dayal Upadhyay.

*Floral tribute by dignitaries during event and media coverage of the event*

## 52. World Pharmacist Day

**Date: September 25, 2022**

World Pharmacist Day was celebrated internationally on 25<sup>th</sup> September every year under the leadership of the International Pharmaceutical Federation, with the aim of thanking all the pharmacists in the world and highlighting their work. For this purpose, World Pharmacist Day was celebrated on September 25, 2022 by the Faculty of Pharmacy of IFTM University with great enthusiasm. The theme of this year was "Pharmacy United in Action for a Healthier World". Health awareness rally was flagged off by Honourable Chancellor Shri Rajiv Kothiwala, Honourable Vice Chancellor Prof. M.P. Pandey, Honourable Pro Vice Chancellor, Prof. Rahul Mishra and Prof. Navneet Verma, Dean, Faculty of Pharmacy. The rally was taken out from the pharmacy faculty campus to Lodhipur village, followed by plantation of different types of botanical medicine in the Herbal Garden. Various competitions like Quiz, Rangoli, Poster and Working Model were conducted. The Chancellor of IFTM University, Mr. Rajiv Kothiwala wished all the students of the Faculty of Pharmacy for their bright future. The Vice-Chancellor, Prof. (Dr.) Mahendra Prasad Pandey congratulated to all the students and faculty members of the Faculty of Pharmacy for their great enthusiasm on celebrating World Pharmacy Day and appreciated for their active participation. During the event, Prashant Sharma team in the quiz competition of the program, Visakha team in Rangoli competition, Bhumika Tyagi team in the poster competition and Danish team in the working model competition stood top and were rewarded with cash prize, shield and certificate. Dr. Alka Lohani conducted the stage on this occasion.

*Saraswati Vandana (Lamp lightening), Welcome of Chief Guest and Presence of Participants*

*Plantation Drive at Herbal Garden, IFTM University*

*Quiz, Rangoli, Posters and Working Model Competitions and felicitation ceremony for winners*

### **53. One-day workshop (Food Grain Storage) Daana Daana Keemti Hai**

**Date: September 24, 2022**

Food grain storage is an important marketing function, which involves holding and preserving goods from the time they are produced until they are needed for consumption. The storage of goods, therefore from the time of production to the time of consumption, ensures a continuous flow of goods in the market. Keeping these points in mind, IFTM University's School of Agricultural Science and Engineering, a one-day workshop was organized on behalf of UPL Ltd. Mumbai under the Unnat Bharat Abhiyan.

*Hon'ble Chancellor inaugurating the workshop*

During the workshop, UPL's India Sales Head, Abhishek Sharma gave detailed information on the problems faced in crop storage and their redressal and experts also did a live demo of grain storage and showed the chemical free drugs used during storage in the workshop. UPL's Technical Advisor Mr. Rajnish Kumar explained in detail about the storage of food grains without chemical, as well as the experts gave satisfactory answers to the questions asked by the farmers, Mr. K.K. Bansal, Director, Training and Placement Cell said on this occasion. More than 200 farmers of Moradabad district participated in the workshop. Participants of this programme were aware about the storage techniques of food grains. They also interact with expert became familiar with the concept of storage of food grains.

## 54. Vishwakarma Puja

**Date: September 17, 2022**

Vishwakarma Pooja is a significant celebration in the School of Engineering & Technology (SET), IFTM University Moradabad. Every Year, this pooja is performed to pay homage to Lord Vishwakarma, the divine architect who is believed to have created the universe. Vishwakarma pooja 2022 was organized in Mechanical Engineering workshop was organized on September 17, 2022. This ritual is performed within the workshop with special prayers, havan and distribution of sweets.

*Chief Guest during puja*

## 55. Speech Competition on Engineer's Day

**Date: September 16, 2022**

Engineer's day was celebrated in School of Engineering & Technology (SET), IFTM University, Moradabad on 15<sup>th</sup> September 2022. On this occasion, Speech Competition for the SET Students was organized on September 16, 2022. University Vice Chancellor Prof. M.P. Pandey congratulated all the students on Engineers Day and encouraged them all.

University Registrar Prof. Sanjeev Agarwal congratulated everyone on Engineers Day and told that this day is organized to honor the contribution of the great engineer of India, M. Vishwaviswarya. On this auspicious occasion, SET Director Prof. (Dr.) Manoj Kumar congratulated all the aspiring engineers and encouraged them to participate in the competition. All faculty members of various departments of SET and approximately 100 students were present during this activity. Approximately, 50 Students had participated in this competition.

*Participant presenting his view during the event*

## 56. Guest Lecture on "Communication Skills is a Key Tool of a Teacher"

**Date: September 05, 2022**

Student Development Cell, School of Social Sciences, IFTM University, Moradabad organized a guest lecture on the topic 'Communication Skills is a Key Tool of a Teacher' on the occasion of Teachers Day on September 05, 2022. This event was successfully hosted by Dr. Sarika Dubey, Assistant Professor, and Department of English.

*Dr. Reena Mittal delivering her Lecture*

## **57. One Day Workshop on Importance of Scientific and Technical Writing**

**Date: August 29, 2022**

One day Workshop was organized by School of Biotechnology (SBT) on August 29, 2022. Ms. Srishti Singh, distinguished alumna of SBT was the keynote speaker. She is working as a program coordinator at Nano Science and Technology Consortium (NSTC, Noida). There were a total of 130 participants in the workshop from IFTM University. The workshop was focused on developing the scientific writing skills in students with science background and introduce them to the concept of content writing in science field and discuss the job opportunities available for Biotechnology and Life science students in scientific and technical writing.

*Students and Faculty members during the workshop*

## 58. Seminar on Artificial Intelligence and Its Application in Drug Discovery

**Date: August 29, 2022**

Faculty of Pharmacy (School of Pharmaceutical Sciences and Pharmacy Academy) organized a seminar on "Artificial Intelligence and Its Application in Drug Discovery" on 29 August, 2022. The distinguished speaker, Dr. Surendra Kumar, gave a detailed note on the application of artificial intelligence in drug discovery. He said that artificial intelligence is poised to make radical changes in healthcare, transforming areas such as diagnosis, genomics, surgical robotics, and drug discovery. He believes that, artificial intelligence has the potential to reduce healthcare costs, identify more effective treatments, and aid in disease prevention and detection in the coming years. Total 102 participants were present in the seminar. Interaction between the participants and the guest speaker was fantastic. He answered all the queries patiently. The participants were highly satisfied with such a knowledge sharing program.

*Few pictures of the event*

## 59. ICSSR Sponsored National Seminar on “NEP 2020: Language, Literature and Culture”

**Date: August 26-27, 2022**

Department of English, School of Social Sciences organized National Seminar on "NEP 2020: Language, Literature and Culture" on August 26-27, 2022. The purpose of the seminar was to create awareness on National Education Policy (NEP) -2020 amongst the students and faculty members. In all, 102 students participated in the seminar.

*Eminent Speaker Dr. Reena Mittal addressing the audience*

## **60. A Guest Lecture on “Machine Learning: Need of the day”**

**Date: August 26, 2022**

A Guest Lecture on “Machine Learning: Need of the day” was organized by School of Computer Science & Applications, IFTM University at 02:00 PM on Thursday, August 26, 2022. Mr. Sanjeev Gupta discussed various applications of machine learning, Artificial intelligence, deep learning. He mainly focused on need of machine learning. He also told that use of deep learning for industry point of view. Total 123 students from B.Tech (Computer Science & Engineering), BCA and MCA participated in this webinar.

*Mr. Sanjeev Gupta delivering a lecture*

## 61. An Industrial visit at NITRA Technical Campus (Ghaziabad) U.P.

**Date: August 23, 2022**

An industrial visit at NITRA Technical Campus (Ghaziabad) U.P. was organized by Department of Home Science, School of Sciences, on August 23, 2022. The objective of the visit was to make the students aware about the various activities related to Fibers, weaving, knitting followed by fabric production. The purpose of visiting the NITRA Technical Campus was to understand about the textile Science. The visit was arranged to develop a practical understanding of all core elements & processes involved in weaving/Knitting apparel development.

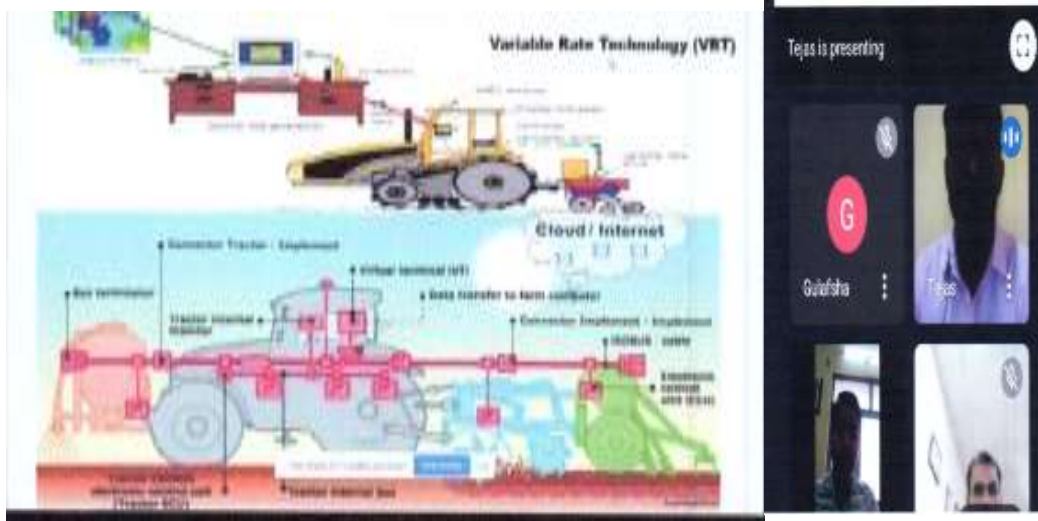

*Students during their visit at NITRA Technical Campus (Ghaziabad)*

## 62. Webinar on Transforming agriculture through Smart Machinery & Technology

**Date: August 20, 2022**

School of Agriculture Sciences and Engineering organized a National Webinar on the topic “Transforming agriculture through Smart Machinery & Technology” on August 20, 2022 through online mode (Google Meet). Er. Tejas Ashok Bhosale, Assistant Director (Estate), College of Horticulture, Veer Chandra Singh Garhwali Uttarakhand University of Horticulture & Forestry, Uttarakhand was the Eminent Speaker of the webinar. The speaker explained various techniques in detail through power point presentation. He emphasized on the use of agriculture machinery and technology to meet the food requirement of our growing population. Total 35 students participated in the event.

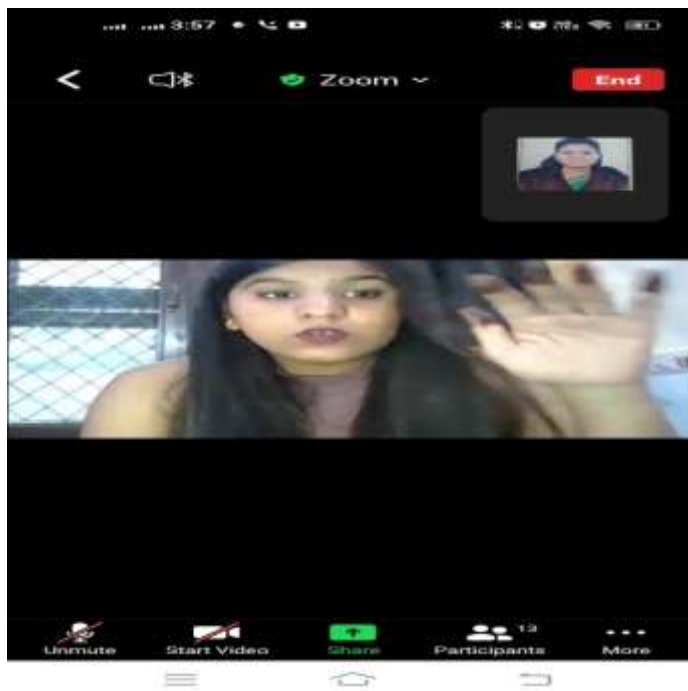

*Presentation of Er. Tejas Ashok Bhosale, the eminent speaker*

### **63. Webinar on “Adapting and Maintaining a Healthy Mind-set”**

**Date: August 20, 2022**

IFTM University Alumni Association (IUAA) in collaboration with Student Development Cell (SDC) of School of Business Management (SBM) organized a webinar on ‘Adapting and Maintaining a Healthy Mind-set’ on Saturday, August, 20, 2022. The webinar was graced by the presence of the resource person, Ms. Ruby Agarwal, an Alumna of MBA (2018-20 Batch), currently working as senior HR, V5 Global, New Delhi.

*Ms. Ruby Agarwal addressing the students*

Addressing the students, Ms. Agarwal said that a peaceful mind is much more creative than anything else. To keep your mind healthy is the key source to get success in life or live life happily. She said mind is exhausted now a days with full of pressure and work, that need to be properly planed otherwise you would stuck in the same work for long. She suggested the students to prepare a list of things that need to be there with them for better life, happiness and satisfaction. To achieve it, you need to prioritized your mind set to achieve the desired things, you would get certain change in your mind-set for sure. Finally, she suggested the students to focus on 5 Cs: Clarity, calmness, compassion, concentration and courage.

#### **64. An Industrial Visit to Parag Dairy plant, Dalpatpur, Moradabad**

**Date: August 17, 2022**

An industrial visit to Parag Dairy Plant, Dalpatpur, Moradabad, was organized by School of Sciences, IFTM University, Moradabad, for UG and PG students on August 17, 2022. During this visit, the students knew about the supply management, handling of dairy products, and Standard operating procedures adopted by Parag milk industry for providing supply chain management solutions to their consumers. The details of the operations were explained by Mr. Praveen Kumar Yadav from Parag Dairy Plant, who gave valuable information about the plant and its operations that start with the procurement of milk which involves stringent quality tests. Total 42 students were visited the plant.

*Student during their visit to Parag Dairy plant, Dalpatpur*

## **65. An Industrial visit at Synokem Pharmaceuticals Ltd. (Haridwar) U.K.**

**Date: August 17, 2022**

An industrial visit at Synokem Pharmaceuticals Ltd. (Haridwar) U.K. was organized by Department of Chemistry, School of Sciences, in association with Training and Placement Cell on August 17, 2022. Industrial visits form an integral part of the curriculum so that the students get an opportunity to experience the practical environment. This objective was fulfilled through the industrial trip. Students exposure to real life industries is important in chemistry curriculum as one of the aspects of active learning. Students learning should go beyond academics, where they can develop insights, critical minds and obtain practical knowledge.

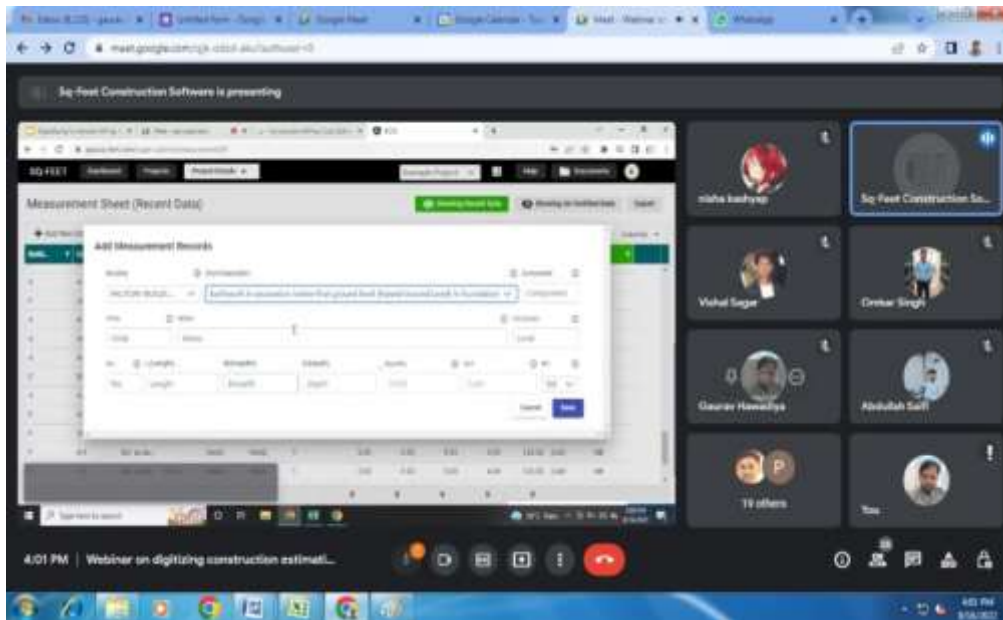

*Students during their visit at Synokem Pharmaceuticals Ltd. (Haridwar)*

## **66. Webinar on "Digitalizing construction estimating & billing cycle/process"**

**Date: August 16, 2022**

School of Engineering & Technology (SET) in collaboration with Construct Skills organized an online webinar on Digitalizing Construction Estimating & Billing Cycle/Process on August 16, 2022. Under the auspices of Hon'ble Vice Chancellor, Prof. M.P. Pandey, Registrar Prof. Sanjeev Agrawal, the event was organized by Prof. Manoj Kumar, as Chairperson, Mr. Gaurav Hawadiya as organizing secretary and Ms. Nisha Kashyap as convener through online mode on August 16, 2022. Total 100 students from various streams of B. Tech and M. Tech programme registered and took part in the webinar.

*Webinar on Digitalizing Construction estimating & billing cycle/process*

## **67. Online Quiz on Environment Protection**

**Date: August 15, 2022**

School of Engineering & Technology (SET), IFTM University, Moradabad organized an online quiz on "Environment Protection" in Collaboration with Naya Vichar Nai Urja Foundation of India on August 15, 2022. On the inauguration of the event Prof. (Dr.) Manoj Kumar, Director, School of Engineering & Technology, IFTM University, presented his ideas about environment protection. Total 91 students had participated in this quiz competition.

## **68. An Industrial Visit to Usha Exports Lakri Fazalpur, Moradabad**

**Date: August 11, 2022**

An industrial visit to Usha Exports, Lakri Fazalpur, Moradabad, was organized by School of Sciences, IFTM University, Moradabad, for UG and PG students on August 11, 2022. During this visit, the students knew about the supply management, material handling, logistics solutions and Standard operating procedures adopted by Usha Exports house for providing logistics and supply chain management solutions to their consumers. The details of the operations were given by General Manager, Shri Saurabh Agarwal, who gave valuable insight about the factory and its operations that start with the procurement of raw materials. He also emphasized that our exports house has the facility of recycling the water and the effluent of the factory. Rain water harvesting is being done here. Around 40 students actively participated in the visit.

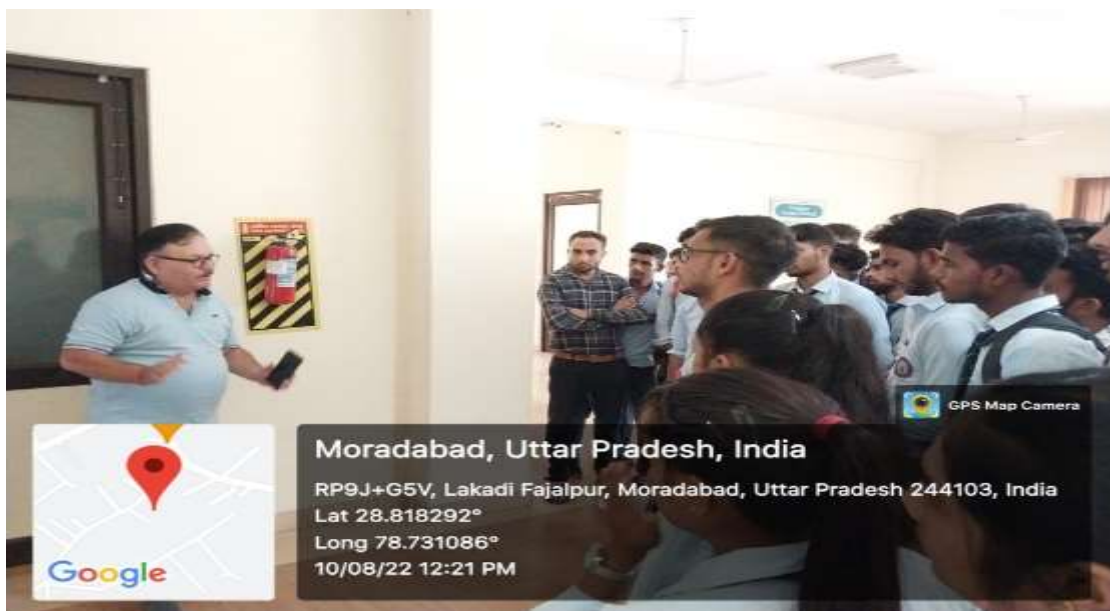

*Students during their plant visit to Usha Exports Lakri Fazalpur, Moradabad*

## **69. An Industrial Visit of "Moradabad Infrastructure Development Private Limited (MIDPL)", Lakri Fazalpur, Moradabad**

**Date: August 10, 2022**

The School of Engineering & Technology, IFTM University, Moradabad organized a “Field Visit” on August 10, 2022 (Wednesday) at 12:00 pm at MIDPL (Manufacturers of Metals & Raising based Handicraft) in Moradabad. Field visit is an approach of enhancing classroom knowledge by making real world connections. In all, 35 students went to visit this industry.

*Students during Industrial Visit at MIDPL, Moradabad*

## 70. Industrial Visit to Moradabad Infrastructure Development Private Limited (MIDPL), Moradabad

**Date: August 10, 2022**

Student Development Cell (SDC) of School of Business Management (SBM) in collaboration with Training and Placement Cell (TAP) of SBM organized a one-day Industrial Visit to Moradabad Infrastructure Development Private Limited, Moradabad on Wednesday, August 10, 2022. When the students reached the plant, they were briefed about the company and the different kinds of machines used for building of complete constructions or parts thereof. After the introduction, the students were taken to the machines section where they saw various machines being used for different manufacturing activities. In all, 32 students from SBM visited the plant. The visit was very fruitful for students as it was a highly interactive, informative and stimulating. Industrial visits provide students a practical perspective on the world of work and along with offering them a great source to gain practical knowledge.

*Students during their visit at MIDPL*

## 71. Webinar on Description of Various Analytical Instruments used in Quality Control Department of Pharma Industry

**Date: August 07, 2022**

IFTM University Alumni Association (IUAA) in collaboration with Faculty of Pharmacy (School of Pharmaceutical Sciences and Pharmacy Academy) organized a Webinar on

“Description of Various Analytical Instruments used in Quality Control Department of Pharma Industry”. The primary goal of organizing this webinar is to educate pharmacy students about the Various Analytical Instruments used in Quality Control Department of Pharma Industry. The eminent speaker, Mr. Mohan Lal Verma, QA/QC Head, BioIV Labs Pvt. Ltd. Nalagarh, Solan, Himachal Pradesh, India. Mr. Verma said that- An organization's product must be examined and evaluated by a Quality Assurance/Quality Control (QA/QC) Analyst to determine whether or not it satisfies quality and production requirements. Typically, the analyst will collaborate with other engineering teams in order to identify potential errors in the process as well as standard and design improvements that could result in a production line that is both more efficient and effective. The students and guest speaker had a lot of fun interacting with each other. Mr. Verma received a barrage of questions from the students, all of which he answered. The interactive session was a success overall.

The screenshot shows a webinar interface. On the left is a presentation slide with a title, a speaker photo, a bio, and a table of spectroscopy types. On the right is a vertical stack of video feeds for participants from IFTM University, including Dr. Harpreet Singh, and a student named Dr. Munesh Mani.

**Mr. MOHAN LAL VERMA**

My name is **MOHAN LAL**. I have completed my **B. Pharmacy** from **IFTM College, Moradabad** affiliated to **UP Tech, Lucknow (Uttar Pradesh)** in the year **2004**. I have a total of **18 Years** of experience in **Pharmaceutical formulation** in the quality control department. Now, I am currently working with **BIOIV LABS PVT. LTD. (Sterile Injection Project)**, Nalagarh, Himachal Pradesh as a **QA & QC Head**.

**TOPIC**

**Description Of Various Analytical Instruments Used In The Quality Control Department Of The Pharma Industry.**

**4. I.R. (INFRARED SPECTROSCOPY)**

**Principal:** Infrared spectroscopy (IR spectroscopy) is the spectroscopy that deals with the infrared region of the electromagnetic spectrum, that is light with a longer wavelength and lower frequency than visible light. It covers a range of techniques, mostly based on absorption spectroscopy.

FUNCTIONAL GROUP PRESENT: 4000CM-1 TO 1300CM-1

FINGER PRINT REGION: 1300CM-1 TO 400 CM-1

Type of Spectroscopy	Region of Electromagnetic Spectrum	Information Obtained
Nuclear magnetic resonance (NMR) spectroscopy	Radio waves	The specific arrangement of all carbon and hydrogen atoms in the compound
IR spectroscopy	Infrared	The functional groups present in the compound
UV-VIS spectroscopy	Visible and ultraviolet	Any conjugated $\pi$ system present in the compound

Speaker delivering his speech during webinar

## 72. Webinar on “Basic Requirements for IT Industry”

**Date: August 06, 2022**

A Webinar on “Basic requirements for IT Industry” was organized by School of Computer Science & Applications, IFTM University at 11:00 AM on Saturday August 06, 2022. Mr. Rohit Aroratold that how to face online interview. His focus area is to build a resume as a fresher candidate. Which types of problems generally faced by the candidate when he/she appear in the interview? What should be the dressing at the time of interview? Total 231 students from B.Tech (CSE), BCA and MCA were present in this webinar.

*Flyer of the event*

## 73. National Webinar on “Agriculturally Important Microorganisms (AIMs) for Sustainable Agriculture”

**Date: August 05, 2022**

School Agriculture Sciences and Engineering organized a National Webinar on Microbes Based Agriculture: A way forward in sustainable and Healthy Growth” on dated August, 06, 2022. If we wish to sustain agriculture and human health, we have to increase the utilization of microorganism in agricultural production system. ICAR has established a National Bureau on Agriculturally Important Micro-organism in Mau. The main speaker Dr. Sanjay Kumar Goswami, Senior Scientist, ICAR, IISR, Lucknow. Dr. Goswami presented his views on the topic and stated that how we can utilize the microorganism in sustainable agriculture and for safe guarding the health of humans by avoiding the use of harmful chemicals.

*Flyer of the event*

## 74. Online webinar on Career Guidance

**Date: August 05, 2022**

The IFTM University Alumni Association (IUAA) in collaboration with School of Engineering & Technology (SET) organized an online webinar on Career Guidance. Under the auspices of Hon'ble Vice Chancellor Prof. M.P. Pandey, Registrar Prof. Sanjeev Agrawal, President of IUAA Dr. Anuj Srivastav, the event was jointly organized by Mr. Gaurav Hawadiya, Mrs Ankhi Gulati, Dr. Sanjay Kumar Yadav and Dr. Amar Sharma through online mode on August 05, 2022. In all, 132 students from various streams of B.Tech and M.Tech programme registered and took part in the event.

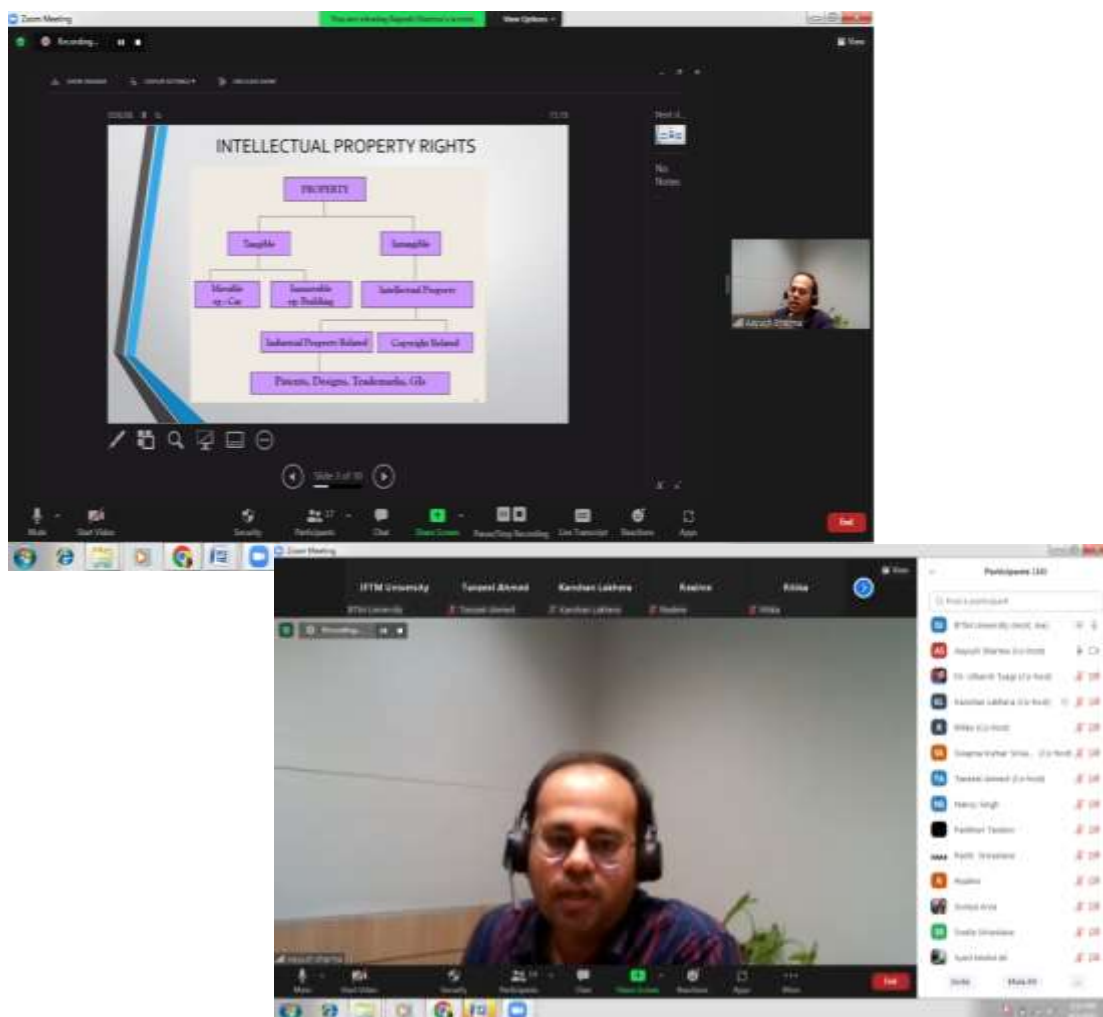

*Students participating in webinar on career guidance*

## 75. Webinar on "Introduction to Intellectual Property Rights"

**Date: August 05, 2022**

Webinar on Introduction to Intellectual Property Rights was organized by School of Biotechnology (SBT) on August 05, 2022. Mr. Aayush Sharma, working as a Senior Principal Associate in the Patents division of S&A Law offices since 2011 and a distinguished alumna of SBT was the resource person. There were more than 100 participants registered for the webinar from IFTM University. The webinar involved the discussion on the basic concepts of the intellectual property rights, its types, terminologies of IPR and the various job opportunities as a Patent agent, in renewal payments, restoration of patents and maintenance of comprehensive patent portfolios for various top companies etc. In the Webinar, the resource person delivered the topic brilliantly and provided an insightful information to the participants. This program was accomplished successfully with the support of all the faculty members of School of Biotechnology.

*Experts during webinar on Introduction to Intellectual Property Rights*

## **76. Session on Role of Banking in Industrial Credit**

**Date: August 04, 2022**

IFTM University Alumni Association (IUAA) in collaboration with Student Development Cell (SDC) of School of Business Management (SBM) organized a session on 'Role of Banking in Industrial Credit' on Thursday, August, 04, 2022. The session was graced by the presence of the resource person, Mr. Deepanshu Kashyap, an Alumnus of MBA (2011-13), currently working as a Credit Officer, SBI, Moradabad. Addressing the students, Mr. Deepanshu said that in this current scenario knowledge of advance banking is essential, also need to upgrade yourself by using the latest technologies like Paytm, Phonepay and mobile banking and many more so that you can deal with challenges. He also suggested students that prepare your plan of action and motivate them to implement it with full of enthusiasm. There was the interactive session afterwards, students also get participated in the session.

***Mr. Deepanshu Kashyap addressing the students on the topic***

## 77. Industrial Visit to M/s Paper Phants, Moradabad

**Date: August 04, 2022**

Student Development Cell (SDC) of School of Business Management (SBM) in collaboration with Training and Placement Cell (TAP) of SBM organized a one-day Industrial Visit to M/s. Paper Phants, Moradabad on Thursday, August, 04, 2022. On reaching the plant, the students were briefed about the company and about the procedures followed at the company for manufacturing corrugated packaging boxes and packaging boxes. After the introduction, the students were taken to the manufacturing section where they saw the process of manufacturing and assembling of different types of packaging boxes. In all, 27 students from SBM visited the plant. It was a highly interactive, informative and stimulating visit. All the queries of students were resolved to their satisfaction. The visit was very fruitful for students. All the students enjoyed the visit.

*Students during their visit at M/s Paper Phants*

## SUMMARY REPORT BOARD OF LITERARY ACTIVITIES (BOLA)

### 78. FUN MALL – 2023

**Date: May 10, 2023**

**PANACHE – The Art Club** of Student Development Cell, School of Business Management organized an experiential learning event “FUN MALL - 2023” on Wednesday, May 10, 2023. The Cricket Ground of IFTM University was beautifully festooned in the colour combination of white and blue to hail the enthusiasm of FUN MALL 2023, an event which was exclusively organized with purpose of inculcating the entrepreneurship skills in the students. Events like such assist students in enriching and developing their decision-making skills as well as attitude required to control and channelize the aspects related to running a business concern. The event was inaugurated by Hon’ble Chancellor Mr. Rajiv Kothiwala followed by Ganesh Vandana and Prasad distribution. In all, 84 students from different programme of school participated in the event. It was a highly interactive, encouraging and experiential learning event. All the students enjoyed the event.

*Fun Mela ribbon cutting ceremony by Chief Guest*

## 79. PARAKRAM 2023 - The Inter School Techno-Management-Cultural Fest

**Date: April 24-28, 2023**

Student Development Cell, School of Business Management organized Inter School Techno-Management-Cultural Fest “**PARAKRAM - 2023**” during, April 24-28, 2023 in the department. Fest was a super success, over 11 schools, 300+ students participated in 21 events spread over a week. The main purpose of the event was to boost the creativity and competitive spirit among the participating students. The event has organized using a systematic method and getting tremendous exposure in interpersonal skills, team spirit, time management and delegating. All the events were designed and created to test and bring out the participants managerial skills and acumen.

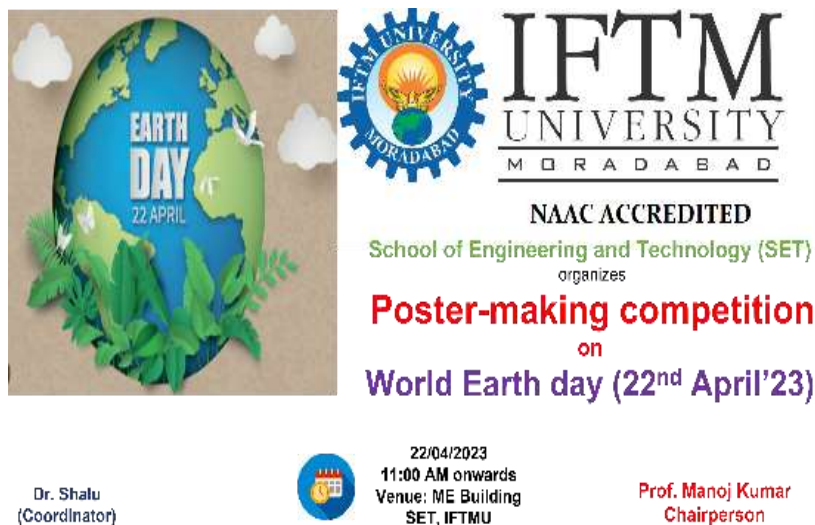

*Glimpses of PARAKRAM 2023*

## 80. Poster Making Competition on World Earth Day

**Date: April 22, 2023**

Earth Day is a commemoration of the Earth's natural environment, with the goal of raising awareness and respect for it. On Earth Day, everyone is encouraged to turn off all unnecessary lights around the world. **School of Engineering & Technology, IFTM University** organized poster competition among students on World Earth Day by graduates of various streams. 70 students of SET had participated in this event.

*Flyer of the event*

## 81. Poster Competition on Bio Compost Technology

**Date: April 20, 2023**

A poster competition was organized by School of Biotechnology (SBT) on April 20, 2023. The event was inaugurated by Dr. Neelu Trivedi, from School of Polytechnic, Director, SBT and Head, SBT with ribbon cutting ceremony followed by a welcome speech by Dr. Utkarsh Tyagi, where he explained the motive behind the competition, he also introduced participants with judges. Dr. Neelu Trivedi and Rashi Srivastava were the honourable judges for the event.

More than 80 students participated in the event. Team comprising of participants Umaid Viqar, Asad & Sikha were crowned first, second place was bagged by Madiha, Aradhika, Nancy & Akansha, third place was bagged by Rishab, Sandhya & Tripti. Total 15 teams participated and made this a successful event. This activity encouraged creativity in students and offered them a platform to showcase their skills. Participants were appreciated and provided certificates for their splendid performance. It was a very intuitive event with loads and loads of knowledge.

*Participants presenting their poster to the judges*

## **82. Rangoli making competition on Water Day**

**Date: April 05, 2023**

Student Development Cell, School of Social Sciences organized a Rangoli making competition on Water Day. The students participated with great enthusiasm and drawn beautiful Rangoli patterns using coloured chalk, rice powder, crushed limestone and candles. All the students enjoyed the event.

*Participants with their Rangoli design*

## **83. Poster making competition on "Prevention of Wastage of Water"**

**Date: March 22, 2023**

School of Social Sciences organized a Poster making competition on March 22, 2023 at Seminar Hall, School of Social Sciences on the occasion of World Water Day. The theme of this competition is based on the topic 'Prevention of Wastage of Water'. Total 40 students

participated in the competition. Students drew amazing posters on the aforesaid topic. This event was successfully hosted by Dr. Sarika Dubey, Assistant Professor, and Department of English

*Participants during Poster making competition*

#### **84. Speech Competition and Poster Making Competition**

**Date: March 04, 2023**

Student Development Cell School of Social Sciences, IFTM University, Moradabad organised “Speech Competition and Poster Making Competition” on the occasion of ‘International Women’s Day’ on March 04, 2023.

*Student sharing her views on Women’s Day*

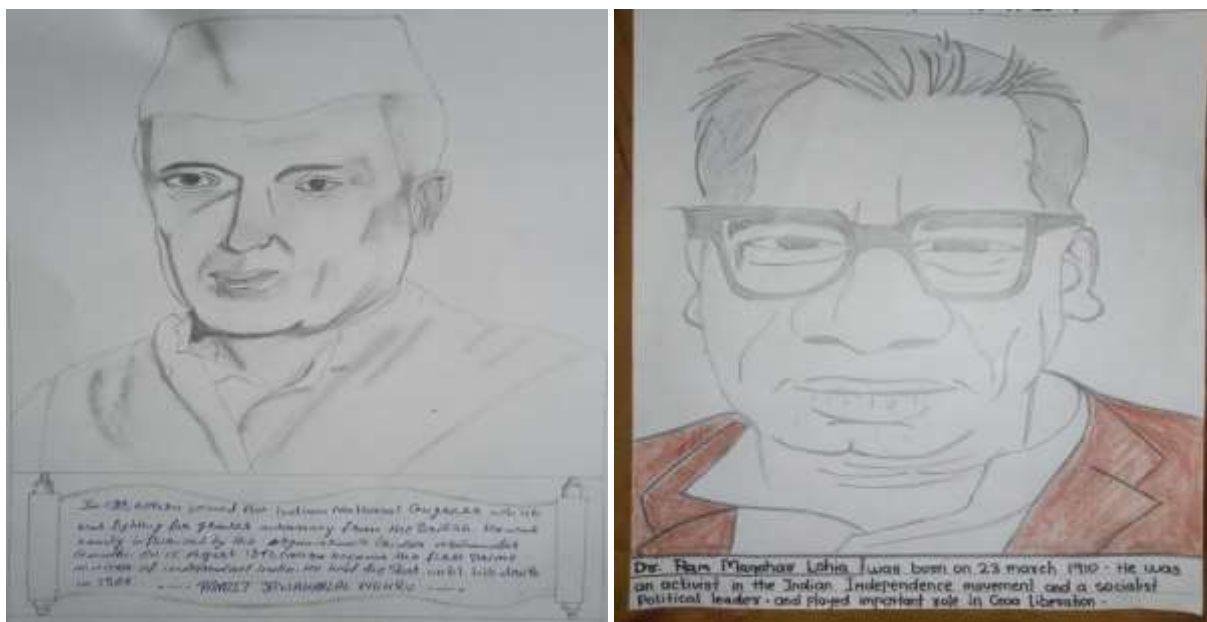

*Director SOSS appreciating Student’s efforts*

## 85. Goa Liberation Day (Online Poster Making Competition)

**Date: December 19, 2022**

Celebrating Azaadi ka Amrit Mahotsav, **PANACHE – The Art Club** of Student Development Cell (SDC), School of Business Management (SBM) organized an Online Poster Making Competition for the students of IFTM University, on account of “**Goa Liberation Day**”, i.e. on December 19, 2022. This competition was organized with the aim to honour the contribution of various freedom fighters who contributed to the Liberation of Goa. The Theme of the competition was ‘Freedom Fighters of Goa’. Each individual participants were required to create a hand drawn portrait of any one freedom fighter /personality who was involved in the Goa Liberation Movement. Participants were also required to include a short write -up consisting of 2-4 lines about the subject of the portrait at the bottom of the portrait itself. Students participated in the poster competition with enthusiasm and made an attempt to honour the contribution of various freedom fighters through posters. The posters were visually attractive and influenced on the minds of the view ers. In all 45 students participated in the event.

*Posters made by the participants*
