Message from Chancellor

The fast-changing world of tomorrow will be an exciting and a challenging place to live, where only the people who adopt themselves to the situation, keep pace with upcoming technologies and have the ability to align their ideas, thoughts and ways of working to changing situations will survive. Keeping this in mind, I foresee IFTM University to undergo transition from versatility to super specialty. At IFTM University, we provide the students an atmosphere which encourages them to become life-long learners and to work in a multi-cultural, ever-changing society. The student's holistic development has given me the confidence that the ethos and work culture of

IFTM University is building up as per the vision of its founder (late) Shri Onkar Saran Kothiwal. The prime objective of the University is not only to impart relevant knowledge and skills, but also to make our students proficient in effective communication, aware of ethical standards, and appreciative of universal and human values. We want our students to develop into the leaders of tomorrow, to infuse the world with the energy of their ideas and innovations, and to advance the frontiers of knowledge in ways that translate into tangible benefits for the community and country. For any University, the excellence lies in the transitional abilities of its faculty and its facility, ethos and infrastructure. I am always aware of the efforts that our academic board puts in to develop the team of subject matter experts at IFTM University.

Our team understand the core vision of empowering our future generations to be ethically, morally and intellectually elite. They practice the art of teaching with a student-centered and transformational approach. The excellent infrastructure at the University, both educational and extra-curricular, magnificently demonstrates the importance of ambience in facilitating focused learning for our students. A key part of the learning experience is what students do beyond their classrooms. Keeping this in mind, the hostel facilities in the University premises have been designed with utmost care and attention so that the students can feel secure and at ease. The idea is to ensure the students are provided with every facility they could possibly require, to explore their potential and develop an attitude towards life that will serve them forever beyond the boundaries of IFTM University. IFTM University students must get the

best of both worlds: they compete with the world for knowledge and opportunities, and simultaneously build a strong, noble character rooted in Vedic values. At IFTM, we fully understand that the aim of education is not just to impart knowledge but also to build character. Today, the University has a proud record of evolving efficient, confident and highly knowledgeable technocrats, managers, pharmacists and entrepreneurs with global thinking and futuristic mind-set that will certainly contribute to nation building with a strong adherence to Mission, Vision and Values.

I hope our students will find learning in IFTM University an invigorating experience.

I welcome you all to join hands in laying the foundation of your future with values, wisdom and knowledge.

Message from Pro Chancellor

At IFTM University, Moradabad, we believe in providing a truly value based education to develop good professionals, ready to excel in any career, they wish to pursue. We know that the world has become more complex and in order to be successful, efforts with full zeal and commitment is required. In view of this, we put more emphasis on determining one to one contact and also focus on the vital needs of each student. Our faculty teams relentlessly monitor the progress of every student and guide them accordingly on the way to achieve all-round success in their life and career ahead. The University is proud to have several illustrious Alumni working as Managers, CEOs, Officers, Distinguished Teachers, Administrators, Eminent Researchers and Academicians.

It has been collaborating with various Universities and top research institutions to promote student and teacher exchange programmes. Our commitment for all-round development of the students through industry exposure, experiential and research- based learning along with sports and extracurricular activities is paramount. The experiential education that our graduates receive empowers them to solve real-world challenges. Whether through joining the workforce, continuing on with further studies, launching an entrepreneurial venture, or forging a different path, IFTM University graduates have brought their 'Think and Do' spirit out into the world. I am very much confident that we will continue to uphold our pre-eminence in teaching and research and the University will soon rise to the level of one of the top educational institutions in the country. I am very happy to state that the University plays a vital role in providing high quality education in India along with extracurricular and co-curricular activities.

Establishment of hi-tech and cutting-edge Incubation Centre for student driven start-ups and research initiatives are the main concerns of this University. Apart from all this, the Alumni, students and faculty of the IFTM University forms not only a professional network, but also an association for life. In our earnest attempt to be the best and preferred source of learning, IFTM University is a temple of learning that focuses on empowering the society we live in, with competent and responsible professionals at hand. At last,

Message from Vice Chancellor

Education is the driving force that brings change in a person, community, society, and nation. It breaks the barriers of caste, creed, ethnicity and religion by training the minds to think logically; envision, innovate, invent and discover methods for creating a harmonious and sustainable society with skills, positive mindset, knowledge and high values of life. IFTM University provides multifaceted opportunities to students in the form of graduate and postgraduate programme in Agriculture, Engineering, Pharmacy, Law, Commerce & Management Studies, Science, Education, Arts & Humanities and pushing almost all the programs up to the Doctorate level.

The important elements of our curriculum include flexible mode of course development and teaching as well as rich and diverse academic environment with creative linkages between students, teachers, researchers and business and market community. Our mission is to create dynamism in our graduates to march forward. The University and its stakeholders are focused at delivering Industry Aligned Curriculum to prepare Industry Ready Professionals on a dynamic basis. IFTM University has been and shall be committed at imparting an optimal blend of knowledge, skills, and competencies to its students apart from focus on values, moral education, and various extra-curricular activities. Our objective is to instill a sense of discipline in our students in order to attain success in their careers.

We encourage our students to participate in various sports as well as cultural activities to nurture their hidden talents in a surrounding that contributes to their physical, mental and psychological growth and also help them to understand their ambitions through perseverance and sensible work. We facilitate their young minds to become assertive not only in career, but also in person. To build a strong ecosystem for nurturing innovation and Start-ups in the country, the University adopted many tech-driven initiatives. On the skill development front, the University has signed and executed the Telecom Sector Skill Programs. The students are skilled in high-tech lab "Advanced Repair and Industrial Skills Enhancement- ARISE-3 " that has been established with the collaboration of Samsung India Pvt. Ltd. It has also signed MoU with the Central Institute of Plastics Engineering & Technology (CIPET), which is helping to skill the students in this age of Plastic technology. Whether you are a student,

Activities By IQAC

1. IPR: A Smarter Way to Reform Higher Education

To deliberate upon its role in Higher Education, an online webinar was organized jointly by IQAC & IPR Cell of IFTM University on 23 November 2021. The key note was delivered by Prof. (Dr.) Raj Kumar Singh, Dean (R&D) & HOD (Dept. of Commerce) at School of Management Sciences, Varanasi (U.P.). Prof. Singh deliberated upon patent geographical indicator, copyright, trademark & trade secrets; along with the guidelines of UGC and New Education Policy (NEP) in this regard.

The Co-patron and Registrar of IFTM University Prof. (Dr.) Sanjeev Agarwal, briefed the participants about the research and consultancy policy of the University. He explained the working of Incubation Business Foundation and reiterated the need of having genuine and

meaningful trademarks. The program was moderated by Prof. Arun Kumar Mishra, Dean (Students' Welfare) and attended by more than 170 participants including the key officials, Directors and faculty members of various University schools and their research scholars.

To grace the event and motivate the participants, Honourable Vice - Chancellor of the IFTM University, Prof. (Dr.) M.P. Pandey remained present throughout the webinar. The participants learnt about the importance of raising the quality of their research work and the significance it has found in the New Education Policy.

Glimpses of the Activity

2. Techniques to write an effective Research Paper

The Internal Quality Assurance Cell, IFTM University, organized a workshop on 'Techniques to write an effective Research Paper'. This workshop intended to make the participants understand effective strategies to write a good research paper.

The resource person, Dr. Rajan Yadav, Professor, Delhi School of Management, Delhi Technological University, said that writing a research paper takes a completely different skillset than essay writing or sending emails to our friends, and therefore it is a good idea for every researcher to keep learning how to improve research writing. Prof. Rajan said that research is about more than just the scientific principles and discoveries one is making—it is about sharing these discoveries with fellow researchers and with the public. And to do this,

researchers must publish their work in journals. Strong writing is the key to make the research more accessible and powerful.

With over 97 participants, the workshop was successfully completed under the able guidance of the Convenor of the workshop, Prof. Rakesh Kumar Yadav, Director, IQAC. Prof. Yadav also said that the research a researcher conducts should of course be novel, timely, rigorous, and hopefully interesting. But the research must also be transmitted into writing, which of course needs a completely different skillset, but the relief is that it can come through continuous practice. Participants, able to understand the right strategy to write an effective research paper.

over the publication count. He reiterated that the academia should redefine excellence and shift focus from mere numbers of publication to quality and should remain persistent in their efforts. Prof. RC TriPathi advocated that a certain degree of autonomy and good communication skills are prerequisites for a teacher to unleash his true potential. The faculty should be allowed to develop their area of expertise. Prof. R C TriPathi also restated that placement performance should be seen as the proxy indicator of excellence in academics. He emphasized on building 'social capital' and hailed the provisions made in NEP, providing flexibility and choice of multiple disciplines to students. Prof. (Dr.) Gaya Chandra TriPathi accentuated the importance of inspiration and motivation students draw, from their teachers. Referring to the Vedic culture and *Guru-Shishya Ashram Paddati* he praised the focus that used to be on the learning outcomes and not the tenure only.

To grace the occasion were present the octogenarian Professor Emeritus and Member of Board of IFTM University, Prof. (Dr.) J.K. Mishra. He urged the participants to work on enhancing the value system and imbibing professional ethics, for better professional outcomes. The seminar was attended by the faculty members from all departments of the university. Prof. (Dr.) Rahul Mishra, the Pro Vice Chancellor of IFTM University delivered the vote of thanks to the dignitaries for their guidance and time spared amidst their busy schedule. The participants of the seminar got to learn about how they can achieve personal excellence and contribute to the organizational objectives.
