There is no substitute for live classroom interaction for these young scholars. M.Ed. students are also associated with providing guidance to B.Ed. students.

### **About the National Seminar:**

This seminar is sponsored by ICSSR. ICSSR was established in the year of 1969 by the Govt. of India to promote research in Social Sciences in the country. It also provides grant for Projects/ Fellowship/ CapacityBuilding/ Publications/ InternationalCollaboration/ Survey etc. The National Education Policy 2020 (NEP) has a vision to reinstate India in the coveted position of world leader at global level. It provides an opportunity to the higher Educational Institutions to create a system that contributes directly to transform the country into a global knowledge superpower. It aims at an inclusive and equitable education system and at Higher education level introduces broad-based, multi-disciplinary, holistic education with flexible curricula, creative combinations of subjects, integration of vocational education and multiple entries and exit points with appropriate certification. As per the NEP 2020, India is a country with a treasure of culture heritage in the forms of Arts, custom, literature, tradition and much more. This makes India one of the most civilized societal countries with rich culture and heritage. The new National Education Policy 2020 (NEP) has a clear vision to re-establish India in the desirable position of world leader at global level. The prime objective of organizing this seminar is to provide a common platform to all the participants where they can discuss and ponder over the concern of National Education Policy 2020 in depth.
