About IFTM University

IFTM University, Moradabad established under section 2(F) of UGC Act, 1966 by U.P. Govt. Act, No.-24 Of 2010 and NAAC grade "A" accredited. Vision of the University is to provide academic freedom by imparting research focused education in more than 82 programs of Diploma, Undergraduate, Postgraduate and Doctoral level in Engineering, Business Management, Pharmacy, Biotechnology, Microbiology, Arts, Sciences, Agricultural Sciences & Engineering, Law, Education, Journalism and Mass Communication, Social Science, Computer Application, etc. IFTM University is committed to provide peaceful and serene environment for skill development and knowledge building by emphasizing on teaching, engaging in research, participating in various community activities and collaborating with local/national organizations of repute for the development of youth. Besides academics, sports and cultural activities contribute towards the overall development of students.. The lush green campus spread over more than 65 acres of land, with sprawling lawns and playgrounds, is aesthetically planned and designed with modern facilities to provide congenial environment for the students.

About School of Agricultural Sciences & Engineering

School of Agricultural Sciences and Engineering (SASE) offer high quality education in courses B.Sc. (Hons.) Agriculture, B. Tech. (Ag. Engg.), M.Sc. (Ag.) Agronomy & Horticulture, M. Tech. Ag. Engg. (FMPE, SWCE & PFE) and Ph.D. in various disciplines with highly qualified, experienced and well trained dedicated team of faculty members attracting talented youth to face the complex challenges of the Indian agriculture. Alumni of the School are well placed in teaching profession, manufacturing units, public sector and

corporate sector. Some of the students are acting as good entrepreneur and giving shape to the Science based corporation of our country by their valuable contributions in agriculture sector. SASE is the right place for the prospective students, who desire to pursue studies in the area of Agriculture.

About 'SUHAVAN'

'SUHAVAN' firstly organized by SASE in 2019 with the objective to establish positive interaction among students, farmers, researchers, entrepreneurs and Industries with new ideas and technologies. This fair was proposed to be conducted every year in spring season.
