Strengthening Our Alumni Network

Alumni are the true brand ambassadors of any institution, playing a vital role in its growth, development, and reputation. A strong and engaged alumni network brings immense value to the university, fostering connections, opportunities, and institutional pride.

To further strengthen this bond, all Directors of various schools & University Polytechnic, Head of Departments, faculty members, and Non-teaching staff of IFTM University are requested to actively encourage and motivate alumni from their respective departments and schools to become members of IUAA (membership circular enclosed)

A robust alumni association is crucial for the university's success, and your efforts in reaching out to former students will significantly contribute to building a vibrant and supportive alumni community. Let us work together to enhance alumni engagement and uphold the legacy of IFTM University.

IUAA is eagerly waiting to embrace each and every alumna /alumnus in its family.
