Organized

TREE PLANTATION PAKHWARA

August 01, 2019 to August 15, 2019

IFTM UNIVERSITY MORADABAD

School of Agricultural Sciences and Engineering

Organizes

“वृक्षारोपण कार्यक्रम”

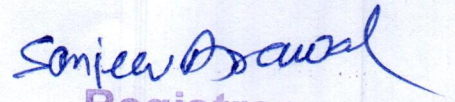

Date: 01 अगस्त 2019 से 15 अगस्त 2019

Venue: Nearby Villages

Coordinator: Mrs. Richa Khanna, Dr. V.K. Dhangra and Mr. Abhishek Mishra

“Someone's sitting in the shade today because someone planted a tree a long time ago”

As per the directives of UP Government, SASE, IFTM University has played an important role towards environment protection and beautification of nearby villages. A plantation drive was organized and trees were planted in 5 adopted villages under “Unnat Bharat Abhiyaan” from 01.08.2019 to 15.08.2019. The villagers appraised the efforts of IFTM University. The purpose of tree plantation was to maintain the ecological balance, this programme was organised with lot of sincerity and seriousness. All students and faculty members of university were participated enthusiastically. During the plantation pakhwara Prof. K. P. Singh, Director, SASE, Major (Dr.) Raj Kumari Singh, Dr. Ramesh Pal
