Engineering Physics

A. B. Bhattacharya • A. Nag

ENGINEERING PHYSICS

As per All India Universities Model Curriculum

Prof. A. B. Bhattacharya

M. Sc, Ph. D., FIETE

Former:

Head, Department of Physics, University
of Kalyani, West Bengal
Dean of Research, Techno India
University, Kolkata
Pro Vice Chancellor, JIS University,
Kolkata

Dr. Atanu Nag

M. Sc, Ph. D.

Associate Professor & Head,
Department of Physics, School of
Sciences
IFTM University, Moradabad, Uttar
Pradesh

Engineering Physics

In this book titled 'Engineering Physics' the authors have given sincere efforts to explain the concepts of Physics in a very judicial way for the Engineering students of different branches so that they can acquire a good knowledge on the subject without devoting much time. In order to implement it successfully the authors have maintained the following two features throughout:

- Learning objectives are outlined at the beginning of each chapter followed by their item-wise presentation lucidly for better understanding.
- Each chapter is enriched with solved numerical problems including exercises and supplementary problems for the routine practice helpful for the examinations.

About the Authors

Prof. A. B. Bhattacharya did his M. Sc. and Ph. D. degree in Physics from the University of Calcutta, Post-doc from the Massachusetts Institute of Technology, USA and then joined in the Department of Physics, Kalyani University. He has published 256 Research papers in high impact Journals and over 150 proceeding papers in conferences. He has successfully guided 24 scholars for their Ph.D. and has written large number of invited articles in many Journals. He is the author of 29 text books written for engineering and science students and also for general readers from many reputed publishers like Infinity Science Press, Taylor & Francis etc. International Institute of Success Awareness honoured him with their most coveted Institutional and globally reputed "Glory of India Gold Medal" for remarkable contributions to India's national prestige. He is a Life Fellow of the Institution of Electronics and Telecommunication Engineers.

Dr. Atanu Nag did his M. Sc. and Ph. D. from University of Kalyani. He has published over 50 Journal papers and over 30 Conference papers. He has also published 8 books for Science & Engineering students. Presently he is working as an Associate Professor and Head of the Department of Physics, School of Sciences, IFTM University, Moradabad, Uttar Pradesh.
