ABOUT THE AUTHORS

Dr. Sarika Arora
Professor, Department of Chemistry, School of Sciences, IFTM University, Moradabad, Uttar Pradesh

Dr. Danveer Singh Yadav
Professor & Principal, S.M. Degree College Chandausi (Sambhal), Uttar Pradesh

Dr. Rajan Singh
Associate Professor, Department of Mathematics, School of Sciences, IFTM University, Moradabad, Uttar Pradesh

Dr. Amanpreet Kaur
Assistant Professor, Department of Chemistry, School of Sciences, IFTM University, Moradabad, Uttar Pradesh

ABOUT THE BOOK

Whether you're an avid student or an inquisitive learner, "The Chemistry Connection: From Atoms to Applications" is your key to unlocking the amazing world of chemistry. This book breaks down the basic components of matter—atoms, molecules, and chemical reactions—into clear explanations, simplifying complicated ideas. This book makes the connections, demystifying how chemistry affects everything around us, from the smallest particles to the most significant applications in daily life. You will learn about the amazing mechanisms that underpin everything in the world, including the food we consume, the technologies we use, and even the astonishing natural beauty, through lucid illustrations, meaningful comparisons, and useful advice. "The Chemistry Connection" makes science approachable and interesting for all readers. This book provides a thorough exploration of the fundamentals of chemistry and its practical applications, making it ideal for anybody wishing to brush up on their knowledge, develop a better understanding of the topic, or just quench their curiosity. Explore and learn how matter affects the world surrounding us!
