

About Author's

Ms. Neha Tamta, result-oriented, high-energy, hands-on professional, with a successful record of accomplishments, is working as an Assistant Professor, Pharmacy Academy, Faculty of Pharmacy, IFTM University, Moradabad, (U.P.). Ms. Tamta is a Registered Pharmacist of Uttarakhand Pharmacy Council of India. Ms. Tamta is pursuing PhD (Pharmacology) from IFTM University, Moradabad. She has completed her Master Degree in Pharmacy from Dev Bhoomi Uttarakhand University, Dehradun, (U.K.) and B.Pharm from Uttarakhand Technical University, Dehradun, (U.K.) and the D.Pharm program with first class topper from Uttarakhand Board of Technical Education Roorkee. She has also attended several seminars, workshops, FDP and Conferences at national and international level. She has several patents and professional publications in various national and international journals. He has presented many papers in different international and national conferences. At a very young age she has many certificates to her credit.

Dr. Rita Mourya, Principal and Professor at the School of Pharmacy, SAM Global University, Raisen (M.P.), is a respected figure in pharmaceutical education with more than 18 years of academic and research experience. Her distinguished career includes international teaching and research exposure at the University of Gondar, Ethiopia, enhancing her global perspective in pharmaceutical sciences.

She has authored 34 research papers, holds 7 patents and 6 design patents, and has contributed 3 book chapters published by Springer along with 2 books for D. Pharm students.

She is Recipient of the Distinguished Teacher Award (2024), Best Researcher Award, Young Pharmacy Teacher Award, Young Performer Award (Dubai, 2015) and several other national and international honors, Dr. Mourya is known for her commitment to innovation, academic excellence, and inspiring future pharmacists.

Mr. Murtuza Zaki is presently working as an Assistant Professor at College of Pharmacy, SAM Global University, Raisen (MP). He is an accomplished academician and pharmacy professional with a strong foundation in Pharmaceutics, having completed his M.Pharm with an excellent academic record.

He has received specialized training at the Central Drug Testing Laboratory (CDTL), Hyderabad, where he gained hands-on expertise in drug analysis and advanced instrument handling. Mr. Zaki is an AAPC-approved medical coder, a published researcher, and the holder of a patent for an instrument used in Alzheimer's research. Known for his dedication, strong communication skills, and passion for continuous learning, he consistently contributes to pharmacy education, research, and professional practice.

Dr. Divya Pathak is an accomplished academician, researcher, and Associate Professor of Pharmacology at IIMT University, Meerut. With over a decade of teaching and research experience across reputed institutions, she has extensively contributed to the fields of pharmacology, natural product research, and neurological therapeutics. Her research expertise includes exploring biomolecular mechanisms of natural products, evaluating their neuroprotective potential, and conducting toxicity profiling and quality control studies of Indian medicinal plants. She has published numerous research and review articles in national and international journals, covering areas such as Alzheimer's disease, phytochemistry, herbal drug technology, cancer prevention, and bioequivalence studies. Her scientific contributions include work on Alzheimer's models, medicinal plants of Uttarakhand, and herbal stability studies. A recipient of the Young Women Scientist Award (2021), Dr. Pathak is also an active member of professional bodies including IGPA, AAP, APTI, and UP-PCI. Dedicated to advancing pharmaceutical education and research, Dr. Divya Pathak continues to inspire students and contribute meaningfully to the scientific community through her scholarly work, academic leadership, and commitment to evidence-based healthcare.
