Based on the Curriculum Survey conducted for the year 2019-20, the report depicted a relatively poor performance in some of the parameters. To address the issues, following measures were taken / planned by the department.

S.NO.	OBSERVATIONS	CORRECTIVE MEASURES
STUDENTS		
1	Curriculum was not seen as easy to understand by considerable number of students.	The curriculum gets updated at regular interval to weed out any redundancy and make it practical, relevant in daily life and useful for professional growth. The revision in curriculum was done in BoS. Faculty was advised to explain the topics at beginner's level for easy understanding of all the students including those who are relatively weak.
2	A considerable number of students shared their discontent with the practicality and relevance of some subjects in getting the (desired) job.	The curriculum gets updated at regular interval to weed out any redundancy and make it practical, relevant in daily life and useful for professional growth. The revision in curriculum was done in BoS.
3	Some students were found apprehensive about the applicability of subjects in daily life.	The curriculum gets updated at regular interval to weed out any redundancy and make it practical, relevant in daily life and useful for professional growth. The revision in curriculum was done in BoS.
4	Students required support of reading and reference material for their subjects.	Faculty shared free online resources and free e-books wherever available; with the students. Students were guided on how to access and use various online resources subscribed by the University library and available to the students.
5	Most of the students concurred that reference material is provided along with the course content.	
TEACHERS		

6	Few teachers saw the syllabus as not suitable and appropriate.	Suggestions from the faculty members are taken at BoS and after due deliberation necessary changes are incorporated.

ALUMNI

7	Not all the alumni felt that the course they studied is significant in relation to their current job	It was learnt later that students have pursued a career outside their chosen area of study.
---	--	---

8	Few alumni shared their discontent from the guest lectures organized by the department.	The HoD reviewed the faculty / resource persons (internal and external who delivered lectures in 2019-20) and their content for its acceptance, effectiveness and suitability. Many external domain / subject experts were invited by the department.
---	---	---

9	Some of the students disagree that the University has been successful in providing students with sound knowledge in their chosen area	The curriculum is regularly updated and the University administration ensured that the environment remain conducive to learning.
---	---	--

10	Some of the students disagree that the University has been successful in training students with knowledge relating to an array of professional fields undertaken so as to comprehend, analyze, design, and create innovative products and find solutions to improve the quality of life	The curriculum gets updated regularly at BoS and PSD trainers conduct special classes to help students acquire relevant skills, necessary in a work life.
