## Action Taken Report Based on Teacher's Feedback

Feedback	Action Taken
1. Incorporate new topics in the syllabus based on job prospects.	1. Members of Departmental BoS committee take the suggestions from faculty members and add new topics or modify the content of syllabus.
2. Adopt/adapt new techniques/strategies of testing and assessment of students.	2. Using online quizzes or through project weekly assessment process incorporated.
3. Provisions for professional development	3. At departmental level with the collaboration of T&P Cell several students related professional development activities have done.
4. Departmental Library must be required.	4. The Central library facility is available in the university.
5. There is a need for training teachers for greater use of ICT in teaching learning process.	5. The Department has planned some online lectures for ICT training of teachers in 2017-18.

## Action Taken Report Based on Alumni Feedback

We asked our students to give a special comment on the curriculum of the university. Based on the comments of the alumni, the following points come into the consideration:

- (1).Content, Teaching Learning Process, Curriculum /Syllabus / Evaluation process, Library/Sports/others and Administration is very good.
- (2).Alumni are very much satisfied with the Curriculum development in respect of completion of syllabus, teaching learning process, facilities and teaching quality and services.
- (3).We will improve our quality and services on the basis of alumni feedback.

## IFTM UNIVERSITY, MORADABAD

### Department of Computer Science & Engineering

### Action Taken Report

(2018-19)

Feedback received from various stake holders	Action Proposed/Taken
Based on the feedback received from students, faculty, alumni & employers the revision in the syllabus of existing courses in B.Tech(CSE) is proposed	Revision in the syllabus of courses were discussed and approved in BoS.
Based on the feedback received from students, faculty, alumni & Industry expert, department presented list of new courses to be introduced.	After thorough discussion board approve the same and new courses were added.
Many parents suggested that besides the regular teaching learning process, students should be given some exposure to real-world problems.	Lectures were arranged wherein students get the opportunity to learn from expert faculties.
Students should get exposure of the industry to relate the theory with industrial environment	It was decided to arrange industrial visit for the students.
To expand the alumni network	It is proposed that separate Alumni Portal will be displayed on the university website to expand the alumni network.
University should give students an opportunity to interact with alumni which will help in placement	The university provided an opportunity to students to interact with alumni which resulted in the placement of Computer Science students.
There is a need to fill the gap between the industry and the curriculum	Several Value added courses are conducted by the Department.
