Based on the Curriculum Survey conducted for the year 2019-20, the report depicted a relatively poor performance in some of the parameters. To address the issues, following measures were taken / planned by the department.

S.NO.	OBSERVATIONS	CORRECTIVE MEASURES
STUDENTS		
1	Curriculum was not found as easy to understand by most of the students.	The curriculum gets updated at regular interval to weed out any redundancy and make it practical, relevant in daily life and useful for professional growth. The revision in curriculum was done in BoS.
2	Some students were found apprehensive about the applicability of subjects in daily life.	The curriculum gets updated at regular interval to weed out any redundancy and make it practical, relevant in daily life and useful for professional growth. The revision in curriculum was done in BoS.
3	Students required support of reading and reference material for their subjects.	Faculty shared free online resources and free e-books wherever available; with the students. Students were guided on how to access and use various online resources subscribed by the University library and available to the students.
