Based on the Curriculum Survey conducted for the year 2021-22, sliding trend was observed (in regards to the preceding year's observations) in some of the vital parameters. To address the issues, following actions were taken by the department against the observations made in the Curriculum Feedback Report of the department.

S.NO.	OBSERVATIONS	CORRECTIVE MEASURES
STUDENTS		
1	Curriculum was not found easy to understand by most of the students.	The curriculum gets updated at regular interval to weed out any redundancy and make it practical, relevant in daily life and useful for professional growth. The revision in curriculum was done in BoS. Faculty was advised to explain the topics at beginner's level for easy understanding of all the students including those who are relatively weak.
2	A considerable number of students shared their discontent with the practicality and relevance of some subjects in getting the (desired) job.	The curriculum gets updated at regular interval to weed out any redundancy and make it practical, relevant in daily life and useful for professional growth. The revision in curriculum was done in BoS.
3	Some of the students did not see the courses as helpful in developing their personality.	PSD classes are run for the students, however it was observed that the attendance in these have been low. The coordinators counseled the students about the benefits of these classes in enhancing their employability in the current session.
TEACHERS		
ALUMNI		
4	Not all the alumni opined that the University has been successful in providing students with sound knowledge in their chosen area	The curriculum gets updated at regular interval to weed out any redundancy and make it practical, relevant in daily life and useful for professional growth. The revision

		in curriculum was done in BoS.
5	Only few students felt that the University has been successful in training students with knowledge relating to an array of professional fields undertaken so as to comprehend, analyze, design, and create innovative products and find solutions to improve the quality of life	The curriculum gets updated regularly at BoS and PSD trainers conduct special classes to help students acquire relevant skills, necessary in a work life.
EMPLOYERS		
6	Employers' Survey 2021-22 revealed that students (placed) were found having technical skills below par.	It was inferred that the feedback is more likely to be in regards to the students of journalism. The curriculum is well structured and suitable count of hours is allocated to help students work on their technical abilities.
